[1] 1950 Census count.
[2] 1950 Census count minus estimate of armed forces in continental United States.

The estimates presented in this report are based on the final count from the 1950 Census; statistics and estimates of births and deaths provided by the National Office of Vital Statistics, United States Public Health Service; statistics on immigration and emigration provided by the Immigration and Naturalization Service, Department of Justice; and data on the armed forces provided by the Department of Defense. The figures on births and deaths have been adjusted for incomplete registration. Corresponding estimates for July 1 and January 1 dates in the 1940-50 decade, consistent with the above estimates, have been published in Current Population Reports, Series P-25, No. 48.
