RETURN

OF THE

WHOLE NUMBER OF PERSONS

WITHIN THE

SEVERAL DISTRICTS

OF THE

UNITED STATES,

ACCORDING TO

" An act providing for the second Census or Enumeration of the Inhabitants of the UNITED STATES."

Passed February the twenty eighth, one thousand eight hundred.

PRINTED BY ORDER OF THE HOUSE OF REPRESENTATIVES.

DEPARTMENT OF STATE,

8th December, 1801.

SIR,

I HAVE the honor to transmit, herewith, two copies of the second census (except for the state of Tennessee which is not yet received) and to notice the following deviations from the law under which it was taken, affecting the uniformity of some of the returns.

The return for the counties of Dutchess, Ulster and Orange, in the District of New-York, was not received at this office until the 21st of September last.

The return for a portion of Baltimore county, in the District of Maryland, was not received until the 19th ult. The return for the western District of Virginia was not received in its present form until the 20th of October last.

The Marshal for the District of South Carolina did not take the oath prescribed by law, until three days after the date of his return.

In the return for the Indiana Territory, the population of some of its settlements is grouped together, instead of being divided into classes.

It is proper that I should add, that I have no reason to suppose that the above irregularities have happened from culpable neglect in the Marshals themselves.

I have added to these copies an aggregatee Schedule of the returns from each District and Territory.

With perfect respect, I remain,

Your most obedient servant,

JAMES MADISON.

The President of the United States.

(Signed) ROBERT HAYS,

Marshal for the District of Tennessee.

DUANE, PRINTER.

Gentlemen of the Senate,

and of the House of Representatives,

ANOTHER return of the census of the state of Maryland is just received from the Marshal of that state, which he desires may be substituted as more correct than the one first returned by him and communicated by me to Congress. This new return, with his letter, is now laid before you.

TH. JEFFERSON.

Dec. 23, 1801.

BALTIMORE, *December* 21*st*, 1801.

IN consequence of a letter I received from John Archer, Esq. saying that the returns of the census of Hartford county were erroneous, I immediately went into the examination and found his suspicions well founded, which induced me to examine all the returns of the different assistants, several of which I found incorrect. I have therefore made out and forwarded you a return, which you will please receive in place of the one heretofore forwarded.

To be in time I was compelled to make my return by the 1st of September. I could not begin it until one day before, as I had not received all the returns from the assistants. For the cause of the mistake of Hartford, I refer you to Robert Smith and Joseph Nicholson, Esqrs. Independent of all this I was only a few days in possession of any of the returns.

I am yours with respect,

REUBEN ETTING.

JAMES MADISON, Esq.
