* A French settlement near Canada, 40 miles on the river, about 200 miles from any town in Maine, from which there is no way to "Matawasca" but from "St. Johns," in New Brunswick, up the river St. Johns, a way very circuitous. The French have supposed they were in Canada. It is probable the county line (when run) dividing the counties of Penobscot and Washington, will divide this settlement. This line, I am informed, was never made or run.
