(*) All other persons, except Indians not taxed.

(a) The marshal's manuscript return of Western Tennessee and the return of the enumeration of Shelby County show "Slaves, male, 26 to 45," of that county to be 17 instead of 7, as printed in the census of 1820, and the total slave to be 113 instead of 103, and the total of the county to be 364 instead of 354, and the marshal's return also has the total of the district 287,511 instead of 287,501, as printed in 1820. This increase of 10 is found in column "Free colored: Females, to 14," which has a total of 298 instead of 288, as printed in official census. The total of the State is therefore increased 10. Slaves remain unchanged, because the total was correctly printed as if the 7 had been 17.

(b) In 1800 Cocke and Jefferson reported together.

(c) In 1870 Lake from Obion

(*) All other persons, except Indians not taxed.

(a) In making up the totals of Chittenden County all "*foreigners not naturalized*," 217 in number, were erroneously omitted, and have never heretofore appeared in the total of the State or county.

(b) Caused by an error of addition in the return for each of the towns of Fairfield, Milton, Shelburne, and Williston, in the county of Chittenden; Brookfield, Newbury, Randolph, and Strafford, in the county of Orange; Castleton, Clarendon, Hubbardton, Poultney, Rutland, Shrewsbury, and Wallingford, in the county of Rutland; Dummerston, Guilford, Halifax, and Westminster, in the county of Windham; and Woodstock, in the county of Windsor. The results now given for these counties are correct.

(c) The census of 1790, published in 1791, reports 16 slaves in Vermont. Subsequently, and up to 1860, the number is given as 17. An examination of the original manuscript returns shows that there never were any slaves in Vermont. The original error occurred in preparing the results for publication, when 16 persons, returned as "Free colored," were classified as "Slave."

(d) In the official census of 1860 Harris Gore (population, 10) was included in Caledonia County. In this table it has been transferred to Washington County. (See Table III.)

(*) All other persons, except Indians not taxed.
(a) Then in the District of Columbia.
(b) These are variances from the totals of Virginia, including West Virginia.—They result from errors too numerous to be here specified.
(c) Amelia and Nottoway tabulated together, and here placed opposite Amelia.
(d) In 1861 Bland from Giles, Tazewell, and Wythe.
(e) Richmond and Westmoreland tabulated together, opposite Richmond.
(f) Lacking to complete the official totals. Possibly the result of typographical errors. There are no manuscript returns with which to compare the printed census, which has totals of columns but no totals of any horizontal lines, therefore these deficiencies cannot be located in any civil division of the State.
