[1] Information that Presque Isle town (including Presque Isle village), Aroostook County, was incorporated as a city on January 1, 1940, was received subsequent to the urban-rural tabulations. Hence, the urban figures for the county and State presented throughout this bulletin include the dwelling units in Presque Isle village only (which had been classified as urban under special rule) instead of those for the entire city.

[1] Figures are for Presque Isle city, not included in county totals. Information that this city was incorporated January 1, 1940, from Presque Isle town (including Presque Isle village which had been classified as urban under special rule) was received too late for changes in the urban-rural figures and tabulations for Aroostook County and the State. Hence, urban figures for the county and State include only those dwelling units in Presque Isle village; dwelling units in the remainder of what was formerly Presque Isle town are classified as rural.
