[1] For the five years of which the year stated is the median year.
[2] Estimated for Indian Territory and Indian reservations.
[3] Includes population of Indian Territory and Indian reservations.
[4] These States were organized from part of Dakota Territory, Nov. 2, 1889. The divorces granted in the counties then comprising Dakota Territory are distributed between North Dakota and South Dakota in accordance with the present division of those counties between the two States.
[5] The act of May 2, 1890, creating the Territory of Oklahoma gave the United States courts in Indian Territory jurisdiction over divorce; prior to that date there is no record of divorce.

[1] In all faculties, excluding preparatory or extension department.

[2] These figures do not include the registration in the two branch schools of agriculture, nor in any of the short courses, some of which were included in the previous years. The actual attendance in the fall of 1911 is practically identical with that of 1910.

[3] Certain classes of students counted in previous years must have been omitted in the total for 1911, since the institution reports a gain over 1910.
