TABLE 4.—POPULATION IN 1900 AND COMMUNICANTS OR MEMBERS FOR SELECTED DENOMINATIONS, FOR EACH STATE AND TERRITORY, BY COUNTIES: 1906.

[The term "County location unknown" is used in this table to cover those cases where the report of a church organization failed to specify the county in which it was situated, due either to a direct omission to so report or to the fact that the return of a circuit or charge, or the like, sometimes comprised two or more churches located in different counties for which no separate report was made.]
