Where state and county boundaries coincide, the map shows only the state boundary. Where Federal American Indian reservation and American Indian tribal subdivision boundaries coincide, the map shows only the American Indian reservation boundary.

Entity names are followed by either their FIPS code or census code; parentheses indicate a census code.

1 Census designated place name color corresponds to the CDP fill color.

Based on entity type, map content may vary. Due to space limitations, some road names, along with other feature and geography names on the map, may not be shown.

The Census Bureau stores primary and alternate road names, but only primary road names are used to label the roads on these maps.
