* The Census Bureau works with other tribal governments or state officials to define statistical entities for federal and state-relevant American Indian and Alaska Native areas that have no legally defined land base. These entities are portrayed on this map with the name of the entity and a point symbol.

Congressional districts are those in effect for the 109th Congress of the United States (January 3, 2005 to January 3, 2007). The legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are a Census Bureau statistical data collection and dissemination purpose only. Their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or control.
