Dear colleagues,

The 2021 Combined Federal Campaign of the National Capital Area (CFCNCA) has officially come to an end, and I am thrilled to reveal the preliminary results.

Here in the local DC metropolitan area, we raised over $2,779,000, including 2,340 volunteer hours to help those in need in our local communities, across our nation, and around the world! Throughout the nation, we raised over $4,000,000 including 2,793 volunteer hours! This is an incredible achievement, and I am proud to be part of such a caring Department of Commerce community.

This year’s success is a testament to the changemaking ability in each of you. Thank you for being the face of change for charitable causes like those helping communities recover from disaster, supporting military families, and ensuring education for all. Your pledges will make a positive difference in our world and in the lives of those in need for weeks, months, and years to come.

Finally, I want to add a sincere message of gratitude to all of you who served as campaign workers and helped lead us to this resounding success. Thank you for being a CFCNCA leader and changemaker! Your dedication and efforts were vital to the success of the campaign and will bring help and hope to millions of people all over the world as monetary and volunteer pledges go to support the missions of thousands of participating charities.
