1/12/22

Dear Colleagues,

As 2022 begins, the 2021 Combined Federal Campaign (CFC) comes to an end. **January 15th is the final day to pledge.** If you haven’t already, consider making a gift that will keep giving all year through a recurring payroll deduction and be the **Face of Change** with all of us in this caring federal community.

Please join me today to watch the 2021 DOC CFC closing event. As we reflect on our campaign to date, our video spotlights a broad range of charities, including one artistic performance. This 60th Anniversary of the CFC provided incentive to do something special and your participation in the “Do 60, Give 60” challenge is a fitting testament to the charitable spirit of the Commerce Department and the campaign. Again, thank you to those who provided 60s-related photos and to everyone who has contributed to the campaign so far.

In these last days of the CFC, we want to show the strength of the federal community and make the greatest impact possible. Some people might say it takes an extraordinary person to care enough to give, but it’s more common than you think, and it’s easy! Anyone can be a changemaker through the CFC.

Your actions today empower a world of change tomorrow. Please consider pledging your gift by visiting [GiveCFC.org](http://GiveCFC.org).

Thank you for being the Faces of Change.

Secretary Gina Raimondo
