Doc. No.	Document Name	Date	Exemption	Doc. Description	Basis for withholding
853	Email: SDNY Draft Brief	8/18/2020	(b)(5)	Email enclosing draft filing for <i>State of New York</i> , with no substantive discussion in the email.	Document has brief, non-substantive comments from counsel regarding ongoing litigation.
854	Email: COB-2:10	8/19/2020	(b)(5)	Email from John Abowd to Ron Jarmin, Victoria Velkoff, Enrique Lamas, and Christa Jones. Non-final draft of DSEP paper for review.	Document is pre-decisional and non-final. Frank discussion was needed to determine the proper categorization of documents for disclosure. Disclosure of this document could chill the frank discussion and undermine the give-and-take inherent in the deliberative process. Therefore, it is an intra- or inter-agency document that is both pre-decisional and deliberative. There is no reasonably segregable, non-exempt information that has been withheld.
855-857	Draft DSEP Paper for Review	8/19/2020	(b)(5)	Email from John Abowd to Daniel Kifer, Philip Leclerc, Simson Garfinkle, Michael Hawes, Teresa Sabol, John Fattaleh. Non-final draft of DSEP paper for review.	Document is pre-decisional and non-final. Frank discussion was needed to determine the proper categorization of documents for disclosure. Disclosure of this document could chill the frank discussion and undermine the give-and-take inherent in the deliberative process. Therefore, it is an intra- or inter-agency document that is both pre-decisional and deliberative. There is no reasonably segregable, non-exempt information that has been withheld.
858-869	Data Stewardship Executive Policy Committee	8/18/2020	(b)(5)	A draft of an internal memorandum discussing data protection policies related to the Presidential Memorandum.	Document is pre-decisional and non-final. Frank discussion was needed to determine the proper categorization of documents for disclosure. Disclosure of this document could chill the frank discussion and undermine the give-and-take inherent in the deliberative process. Therefore, it is an intra- or inter-agency document that is both pre-decisional and deliberative. There is no reasonably segregable, non-exempt information that has been withheld.
870-879	Email: Re: 2020 Census Portfolio and Program Risk & Issue	9/18/2020	(b)(5)	Email from Sara A Rosario Nieves to Michael Niosi, Deidre C Hicks, James L Dinwiddie, Gerell L Smith, Britney L	Document is pre-decisional and non-final. Frank discussion was needed to determine the proper categorization of documents

Vaughn Index for Brennan Center Documents

	Documents for GAO/OIG - September 2020			Docket with an attached 2020 Census Risk Management plan.	for disclosure. Disclosure of this document could chill the frank discussion and undermine the give-and-take inherent in the deliberative process. Therefore, it is an intra- or inter-agency document that is both pre-decisional and deliberative. There is no reasonably segregable, non-exempt information that has been withheld.
881-886	Internal Briefing Document	N/A	(b)(5)	Internal briefing document and flowchart related to a data sharing agreement with ICE.	Document is pre-decisional and non-final. Frank discussion was needed to determine the proper categorization of documents for disclosure. Disclosure of this document could chill the frank discussion and undermine the give-and-take inherent in the deliberative process. Therefore, it is an intra- or inter-agency document that is both pre-decisional and deliberative. There is no reasonably segregable, non-exempt information that has been withheld.
888-889	Email: Fwd: SDNY Opinion/Order From 3 Judge Court	9/10/2020	(b)(5)	Email from Steven Dillingham to Nathaniel Cogley, Benjamin Overholt, Steven Smith, Michael Sprung, Ali Mohammad Ahmad containing legal advice/comments from Michael Cannon.	Document has brief, non-substantive comments from counsel regarding ongoing litigation.
980-981	Email: Document Request from GAO-Please Review	8/10/2020	(b)(5)	Internal deliberations regarding a response to GAO related to the 2020 Census operational plan.	Document is pre-decisional and non-final. Frank discussion was needed to determine the proper categorization of documents for disclosure. Disclosure of this document could chill the frank discussion and undermine the give-and-take inherent in the deliberative process. Therefore, it is an intra- or inter-agency document that is both pre-decisional and deliberative. There is no reasonably segregable, non-exempt information that has been withheld.
982-989	Internal Briefing Documents	N/A	(b)(5)	Internal briefing documents regarding updates to the 2020 Census operational schedule.	Document is pre-decisional and non-final. Frank discussion was needed to determine the proper categorization of documents for disclosure. Disclosure of this document could chill the frank discussion and undermine the give-and-take inherent in the deliberative process. Therefore, it is an intra- or inter-agency document that is both pre-decisional and deliberative. There is no
