## Background: 2020 Census Service Based Enumeration (SBE)

- The SBE operation is conducted at service-based locations and targeted non-sheltered outdoor locations (TNSOLs) to provide an opportunity for people experiencing homelessness to be included in the census. These service-based locations include:
  - Shelters For People Experiencing Homelessness
  - Soup Kitchens
  - Regularly Scheduled Mobile Food Vans
- Planned modes of data collection for SBE are:
  - In-Person interview
  - Paper listings—Field staff pick up a paper listing from the GQ administrator.
    - Paper listings are keyed at the National Processing Center.
  - Drop Off/Pick Up – adding this option for Shelters
