 - March 10, 2017 - ATTENTION ALL ACE PORTAL USERS: ACE Portal Password Rule Changes.** Due to Department of Homeland Security (DHS)/U.S. Customs and Border Protection (CBP) Security Policy changes, effective 3/10/2017 all Automated Commercial Environment (ACE) Secure Data Portal account passwords will require a minimum of 12-characters. As of 12:00 P.M. EST on 3/10/2017, the 12-character password requirement will be enforced when your current 8-character password expires or when you manually change your password. For more information about the ACE Portal Password rule changes, please review Cargo Systems Messaging Services (CSMS) # 17-000133.
 - January 14, 2016 - ATTENTION ALL ACE PORTAL USERS: U.S. Customs and Border Protection (CBP) would like to remind the trade community of available ACE Training and Reference Guides posted on CBP.gov/ACE.** Reference guides with step-by-step instructions on account management functionality, manifest filing, and running reports in the ACE Portal are available for all Portal Account types. To access the .ACE Training and Reference Guide, page on CBP.gov/ACE, please copy and paste the following URL: <http://www.cbp.gov/trade/ace/training-and-reference-guides> to your internet browser.
 - October 20, 2015 - ATTENTION ALL CBP USERS: The 2015 ACE User Satisfaction Survey for CBP users is now open.** CBP officers, import and entry specialists, trade specialists, supervisors, and managers that use ACE are encouraged to take the survey. The survey takes about 5 -10 minutes to take. It is voluntary and anonymous. This survey will gauge user satisfaction and help CBP identify areas in which ACE is doing well and areas where improvements are needed. A large number of responses will ensure greater statistical validity to the results. Please note you may need to copy and paste the URL into your web browser: <http://www.surveymshare.com/s/AYAQ66A>. Survey closes at midnight of November 9, 2015. Thank you for taking the time to provide your perspectives.
 - October 20, 2015 - ATTENTION ALL TRADE COMMUNITY USERS: The 2015 ACE Satisfaction Survey for the Trade Community is now available.** Brokers, importers, ocean, rail and commercial truck carriers and other trade entities that use ACE are encouraged to take the survey. The survey takes about 5-10 minutes to take. It is voluntary and anonymous. Your specific feedback on how well ACE is performing for you is essential as we move forward with new ACE development. A large response will ensure that there is greater statistical validity to the results. Please note you may need to copy and paste the URL into your web browser: <http://www.surveymshare.com/s/AYA4E4D>. Thank you for taking the time to provide your perspectives.
 - January 21, 2015 - ATTENTION ALL CBP USERS: Last Chance to take the ACE CBP User Customer Satisfaction Survey for 2014 - The ACE CBP User Customer Satisfaction Survey for Available Capabilities through Calendar Year 2014 closes at midnight on Jan. 28, 2015.** All CBP officers, import and entry specialists, trade specialists, supervisors, and managers that use ACE are encouraged to take the survey. It takes about 5 -10 minutes to take. It is voluntary and anonymous. If you have not already taken the survey, please take a few minutes to provide your input. To take the survey click on the following link: <http://www.surveymshare.com/s/AYAETD>. The information you provide in the survey is an important vehicle that allows the ACE management team to set more realistic targets, prioritize the efforts, and improve internal communication. To those who have taken the survey, we would like to thank you for the information that you have provided. It gives us a statistically valid scorecard on ACE progress and helps us to identify areas for improvement and address issues that are important to our CBP operational units.

Creando Reportes Ad Hoc

The screenshot displays the 'ACE REPORTS' interface. At the top left, the text 'ACE REPORTS' is visible. On the right side, the user's role is 'PGA' and the agency is 'Census Bureau'. A search bar for 'Workspaces' is present on the left. A list of 'Available Workspaces' includes CBP, Exports, PGA, Trade, Exporter, Training, and another Training entry. The main focus is a 'Create Ad Hoc Report' dialog box with the following elements:

- Universe:** A dropdown menu with the text 'Select a Universe' and a downward arrow.
- Report Name:** A text input field with the placeholder 'Enter Report Name (Optional)'.
- Report Description:** A larger text input field with the placeholder 'Enter Report Short Description (Optional)'.
- Buttons:** Two buttons at the bottom right: 'Create Adhoc' (blue) and 'Close' (red).

Creando Reportes Ad Hoc

The screenshot displays the Creando Reports Ad Hoc interface. At the top, a navigation bar includes 'Home', 'Documents', and a highlighted 'License Activity' tab. Below this is a toolbar with various icons and options like 'Track', 'Drill', 'Filter Bar', 'Freeze', and 'Outline'. On the right side of the toolbar, 'Reading' and 'Design' modes are visible, with 'Design' highlighted. A 'Navigation Map' on the left shows a tree structure with 'License Activity', 'Main Report', and 'Report Parameters'. The main content area features the U.S. Department of Homeland Security logo, the title 'License Activity', and the text 'FOR OFFICIAL USE ONLY UNLESS OTHERWISE AUTHORIZED'. Below the logo is a blue and white rectangular placeholder. The central message 'NO DATA FOUND' is displayed in red text.

Modificando los Filtros y Búsquedas del Reporte

The screenshot displays the 'Query Panel' interface. On the left, the 'Universe outline' shows a tree structure with 'Trade Export' expanded, containing 'EEI' and 'Date Objects'. A search box is present with the placeholder text 'Type here to filter on tl'. The main area is divided into three sections: 'Result Objects' (containing 'Port of Export Code'), 'Query Filters' (with a descriptive text: 'To filter the query, select predefined filters or objects in the Universe pane and add them here by clicking the arrow or using drag-and-drop. Select Filter to specify the values you want returned to reports or select Prompt to define a message so users can select values of their choice.'), and 'Data Preview' (with a 'Refresh' button and a text input field for filtering values). The bottom status bar shows 'Query 1'. The top toolbar includes 'Add Query', 'Run Query', and 'Close' buttons.

Modificando Filtros y Búsquedas del Reporte

The screenshot displays the 'Query Panel' interface, which is used for configuring data queries. The interface is divided into several sections:

- Universe outline:** A tree view on the left showing the hierarchy of data objects. Under 'Trade Export', the 'Export Date' object is selected and highlighted in blue.
- Result Objects:** A central area where selected objects are displayed as buttons. The 'Export Date' button is currently selected, with a mouse cursor hovering over it. Other visible objects include 'HTS/Schedule B Number', 'Shipment Value', 'Country of Ultimate Destination Code', 'Ultimate Consignee Country', 'Ultimate Consignee Type', 'Export Control Classification Number', 'License Type Code', 'Export License Number', 'License Value', and 'Commodity Description'.
- Query Filters:** A section below the result objects containing a text box with instructions: 'To filter the query, select predefined filters or objects in the Universe pane and add them here by clicking the arrow or using drag-and-drop. Select Filter to specify the values you want returned to reports or select Prompt to define a message so users can select values of their choice.'
- Data Preview:** A section at the bottom with a 'Refresh' button and a text input field labeled 'Type a text to filter the values'.

The interface also includes a top toolbar with 'Add Query', 'Run Query', and 'Close' buttons, and a bottom status bar labeled 'Query 1'.

Modificando Filtros y Búsquedas del Reporte

The screenshot shows a web application interface for generating reports. On the left is a 'Navigation Map' with a tree structure containing 'License Activity', 'Main Report', and 'Report Parameters'. The main content area features the U.S. Department of Homeland Security logo and the title 'License Activity'. A small blue and white bar is visible in the center of the main area. The top right corner contains the text 'FOR OFFICIAL USE ONLY UNLESS OTHERWISE A'. A vertical toolbar on the left side of the main area contains icons for home, list, search, help, and a hand cursor. A scroll bar is located at the bottom of the main content area.

Calendarizando los Reportes

The screenshot displays the Microsoft Access interface for a report named "License Activity". The "Available Objects" pane on the left shows a list of fields from the "License Activity" table, including "Commodity Description", "Country of Ultimate Destination Code", "Export Control Classification Number", "Export Date", "Export License Number", "HTS/Schedule B Number", "License Type Code", "License Value", "Shipment Value", "Ultimate Consignee Country", and "Ultimate Consignee Type". A red arrow points to the "License Activity" table icon in this pane. The "Save As" dialog box is open, showing a list of folders and reports. The "File Name" field is set to "License Activity" and the "Save As Type" is "Web Intelligence". The "Save" button is highlighted with a red box.

What are ACE Export Reports by EIN?

The Automated Commercial Environment (ACE) Export Reports are transactional export data by Employer ID Number (EIN) from the Automated Export System (AES) and are now accessible via the ACE Secure Data Portal. These reports serve as a replacement to the export data we previously provided to the filer and/or U.S. Principal Party in Interest (USPPI) per request. The information contained in these reports continues to be confidential transactional export data from the AES and should not be disclosed for nonofficial purposes per the Foreign Trade Regulations, Section 30.60
