Which Survey Filter Should I Choose in 2010?

For 2010 Census Redistricting Data PL 94-171, choose one of these two filters depending on your geographic needs:

- **National Redistricting Data** – Use when you want data for geographies that can cross state lines

- **Redistricting Data (PL 94-171)** – Use when you want data for geographies at the state level and below, or for portions of geographies contained within a state
The total population in 2020 was 331,449,281, but how can we compare this to 2010?
