Meet Your Instructor

Ron Williams is a Data Dissemination Specialist with the US Census Bureau. One of Mr. Williams’ key responsibilities is to assist individuals and organizations with the extraction of data from the US Census Bureau. He truly enjoys working with the first time or novice data user. Ron was recently recognized for 25 years as a federal employee and has been with the Census Bureau for 5 years. He has a BA in Political Science from Ouachita Baptist University and Secondary Teacher licensure in Physics, Chemistry, and Biology. He and his family make their home in Nashville, Tennessee.
