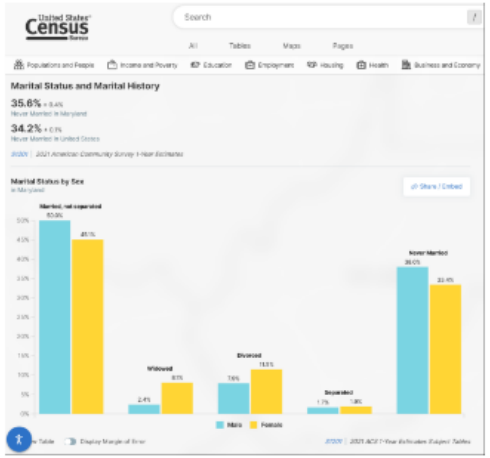
Data.census.gov Newsletter – May 2023



What's New?

In April, we released new updates to improve your experience on data.census.gov. With this release, you will now see:

- New bar charts added to the Marital Status and Marital History section of the Geography Profiles
- New buttons for "Dataset" and "Year"

COMING IN MAY:

Webinar

Accessing 2020 Decennial Census Demographic and Housing Characteristics Data Using data.census.gov

Date to Be Announced

For anyone who is interested in accessing the newly released 2020 Decennial Census Demographic and Housing Characteristics tables and Demographic Profile, we bring you this webinar. Join us for this session where we will take participants through data.census.gov to easily find 2020 Census demographic and housing characteristic data, including finding

United States® Census Bureau

Hands-On Practice!

data.census.gov Workshops

Share Facebook X (Twitter) LinkedIn

These participatory classes walk you through examples of using data.census.gov to find demographic and economic data.

Time is allotted throughout the training for questions, and participation is strongly encouraged.

- Please click the box below to view available classes.
- Registration is required to attend these workshops. Attendance is limited to 50 participants per session.

***When registering, if you receive a message that you are waitlisted, please sign up for later class. We are trying to move classes to Waitlist as they fill, but sometimes there is a lag in that update.

Basics of Finding Data Using data.census.gov

In these participatory classes, data.census.gov outreach staff walk you through examples that cover basics and advanced of using data.census.gov to find data.

Advanced Usage of data.census.gov

These participatory classes walk you through some of the more advanced ways to use data.census.gov to find demographic and economic data.

Making the Most of Mapping in data.census.gov

Join us in this participatory class as we look at mapping capabilities in data.census.gov.

Basics of Using the Microdata Access Tool in data.census.gov

Join us for a participatory class that walks you through the Microdata Access Tool (MDAT) within data.census.gov.

Basics of Using the Census API

Join us in this hands-on class as we learn how to access data through the Census Data Application Programming Interface (API).

Data.census.gov Geography Essentials for Beginners

This introductory workshop is geared towards data users who want to master the fundamentals of census geographies.

Finding American Community Survey Data

In this participatory class, our staff will walk you through various ways of accessing data from the ACS via three of our data tools.

Finding Economic Data on data.census.gov and the API

This workshop is geared towards intermediate/advanced data.census.gov users who want to learn how to access economic datasets on data.census.gov and the API.

Help Us Improve data.census.gov

Join our Usability Testing!

We would love to hear from novice and expert users who meet either of the following criteria:

- Experience, currently or in the past, using or analyzing data
- Use data from data.census.gov or other statistical sites

If you or someone you know would be interested in participating in this 60-minute study virtually through Microsoft Teams, sign up here: https://answer.census.gov/jfe/form/SV_cJd3MByY8RFFaQu
