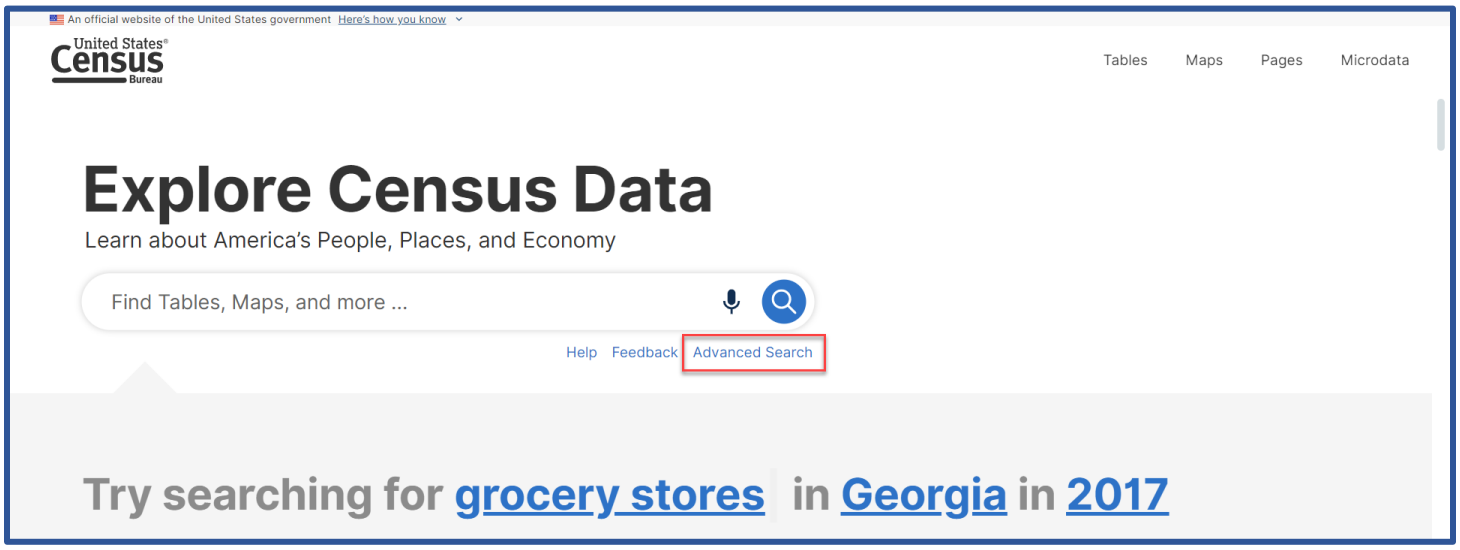
How to Access Data for American Indian and Alaska Native Population Groupings

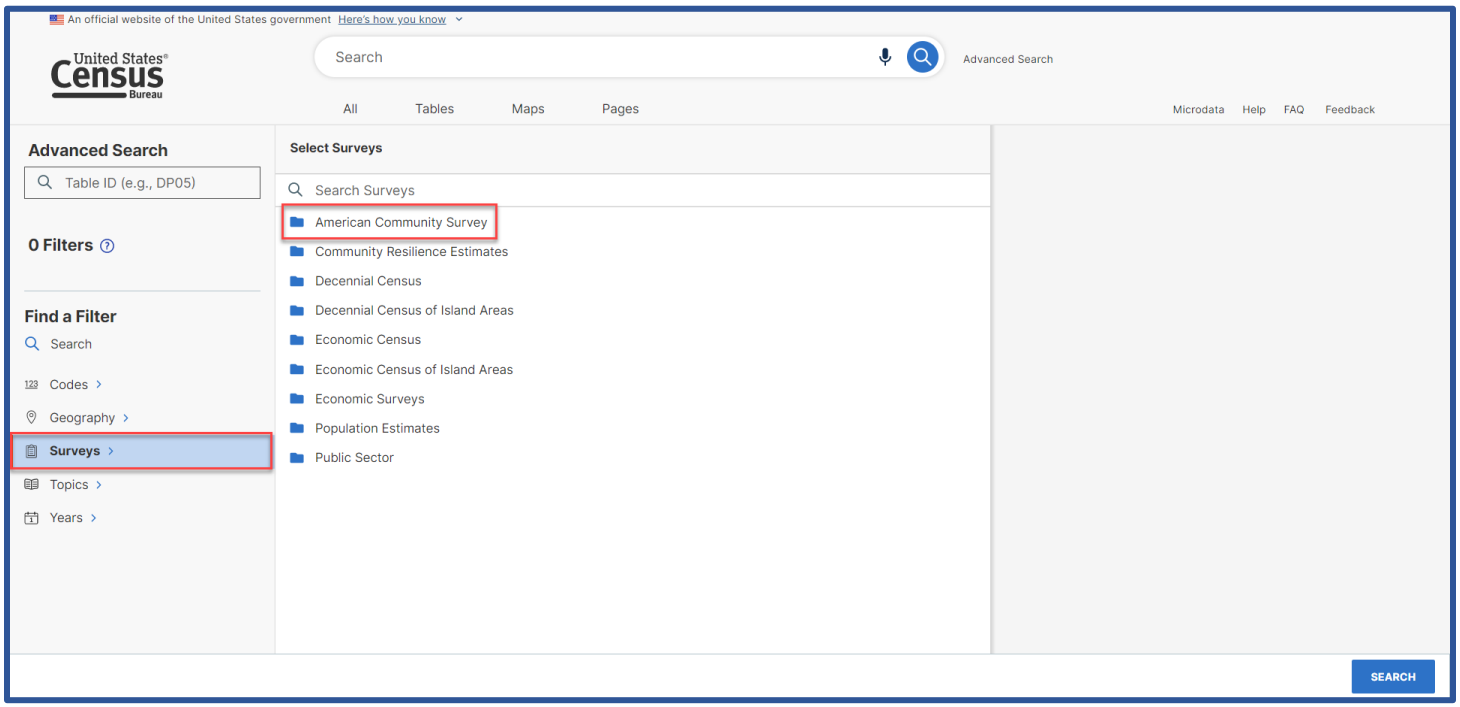
You can access the data at data.census.gov

STEP BY STEP INSTRUCTIONS:

Step 1: Click on the "Advanced Search" button.

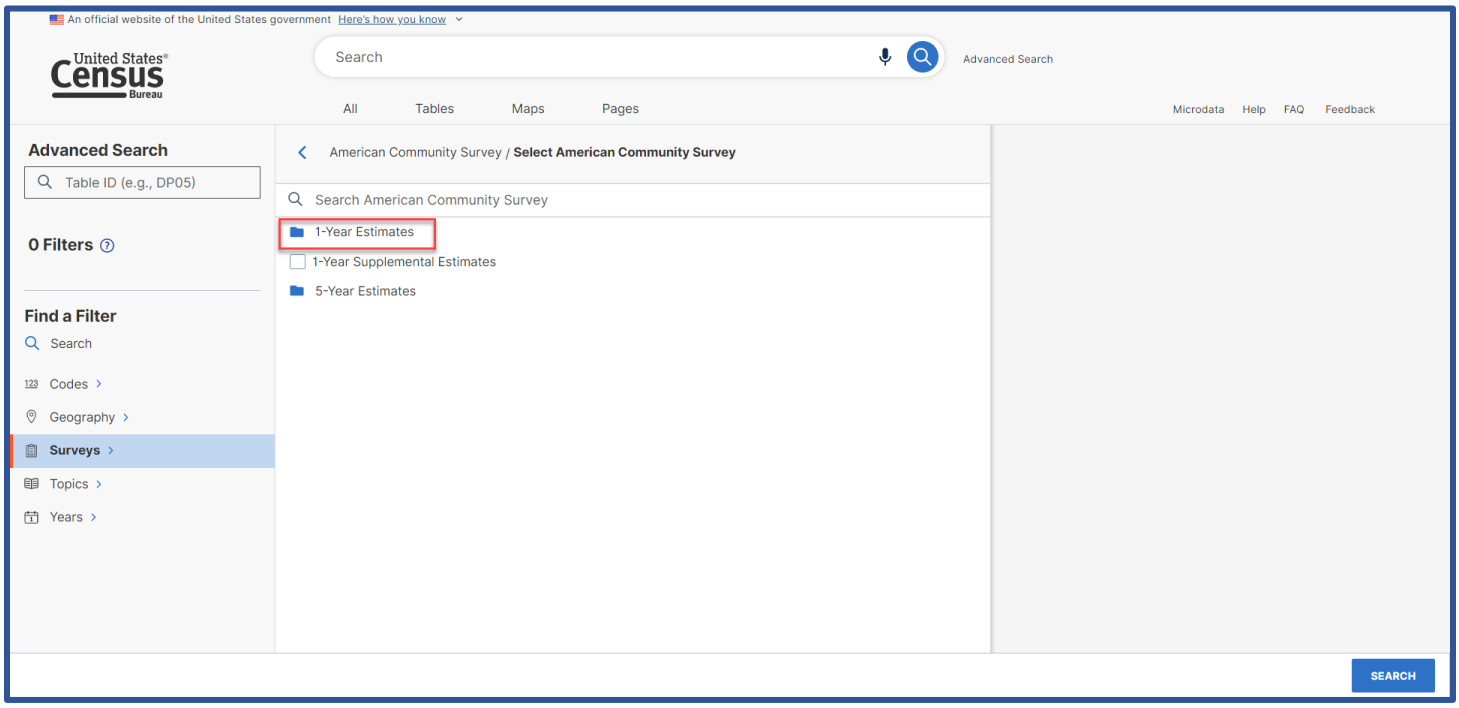


Step 2: Click on Surveys and then American Community Survey.

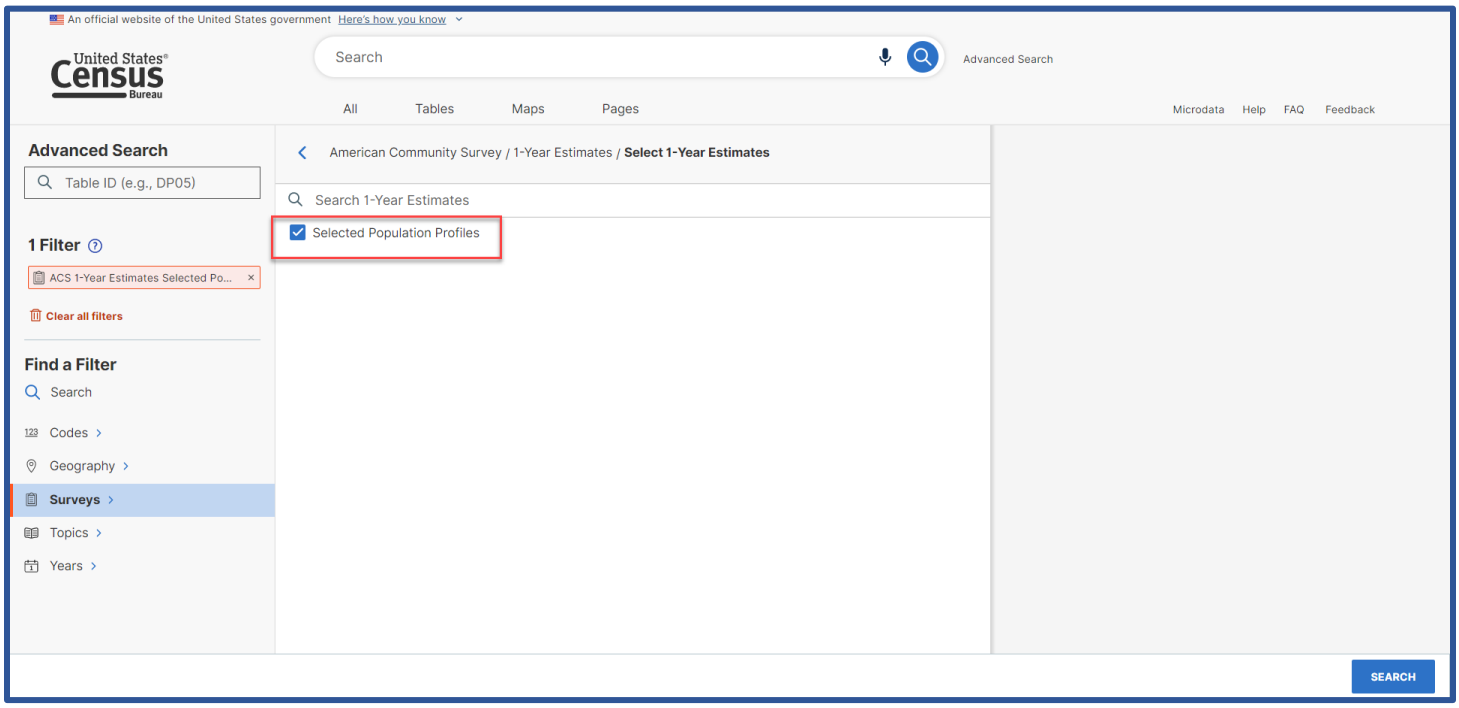


United States Census Bureau

Then click on 1-Year Estimates.

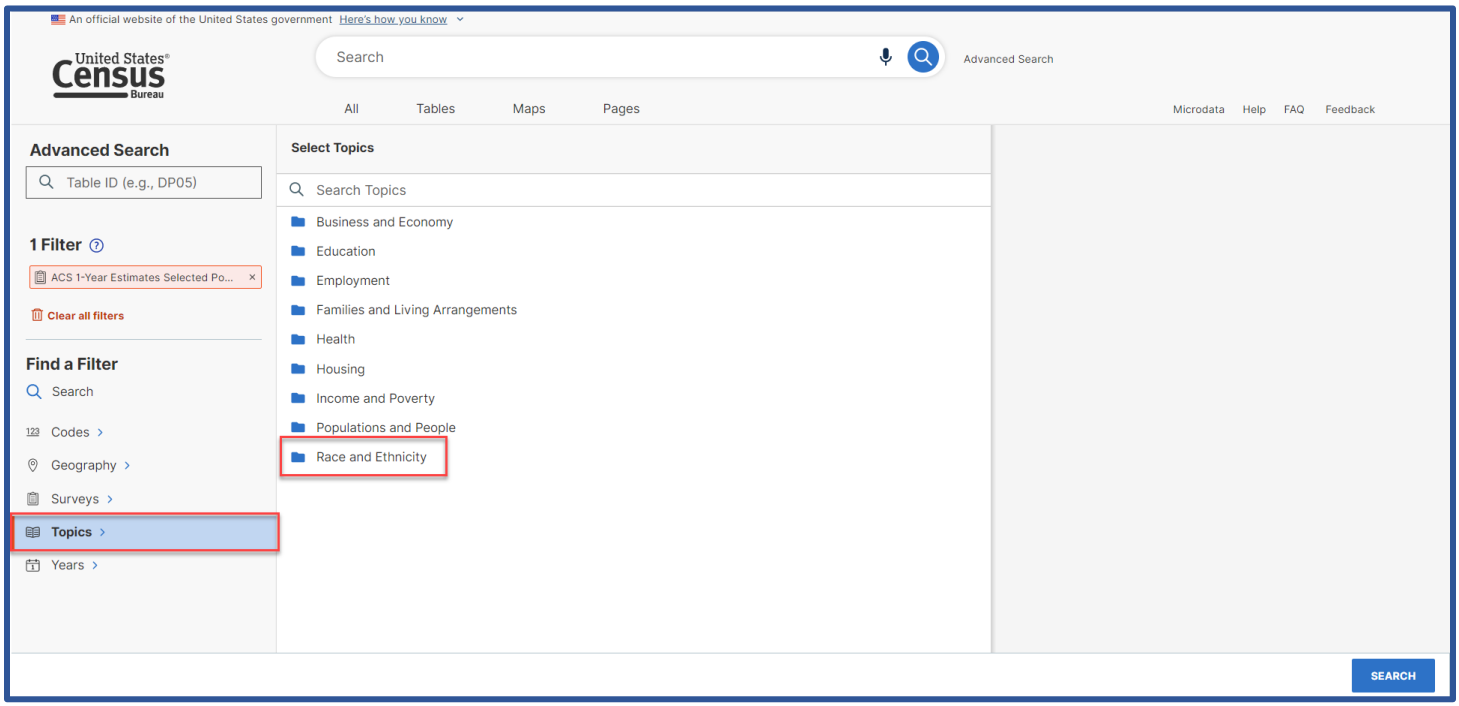


Then check the box for Selected Population Profiles.

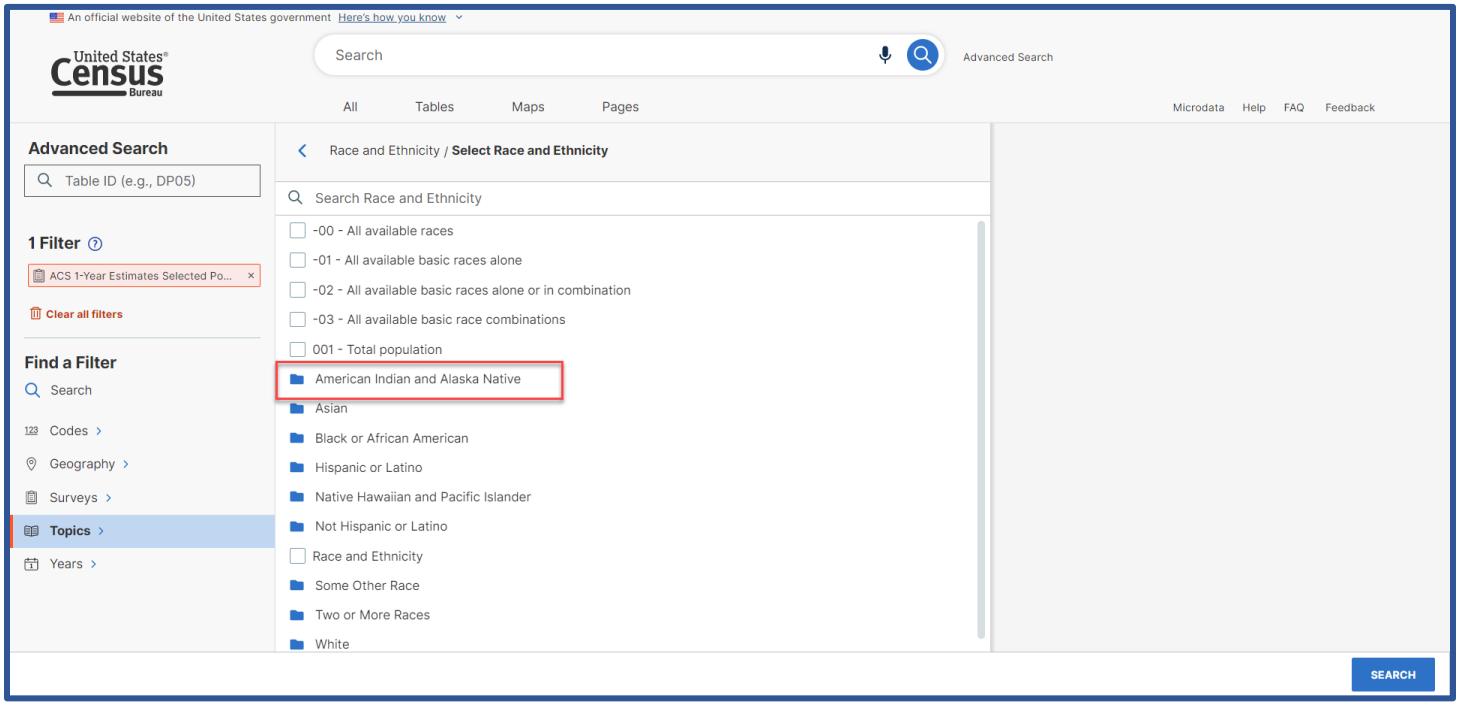


United States Census Bureau

Step 3: Now let's add our topic. Click on Topics and then Race and Ethnicity.

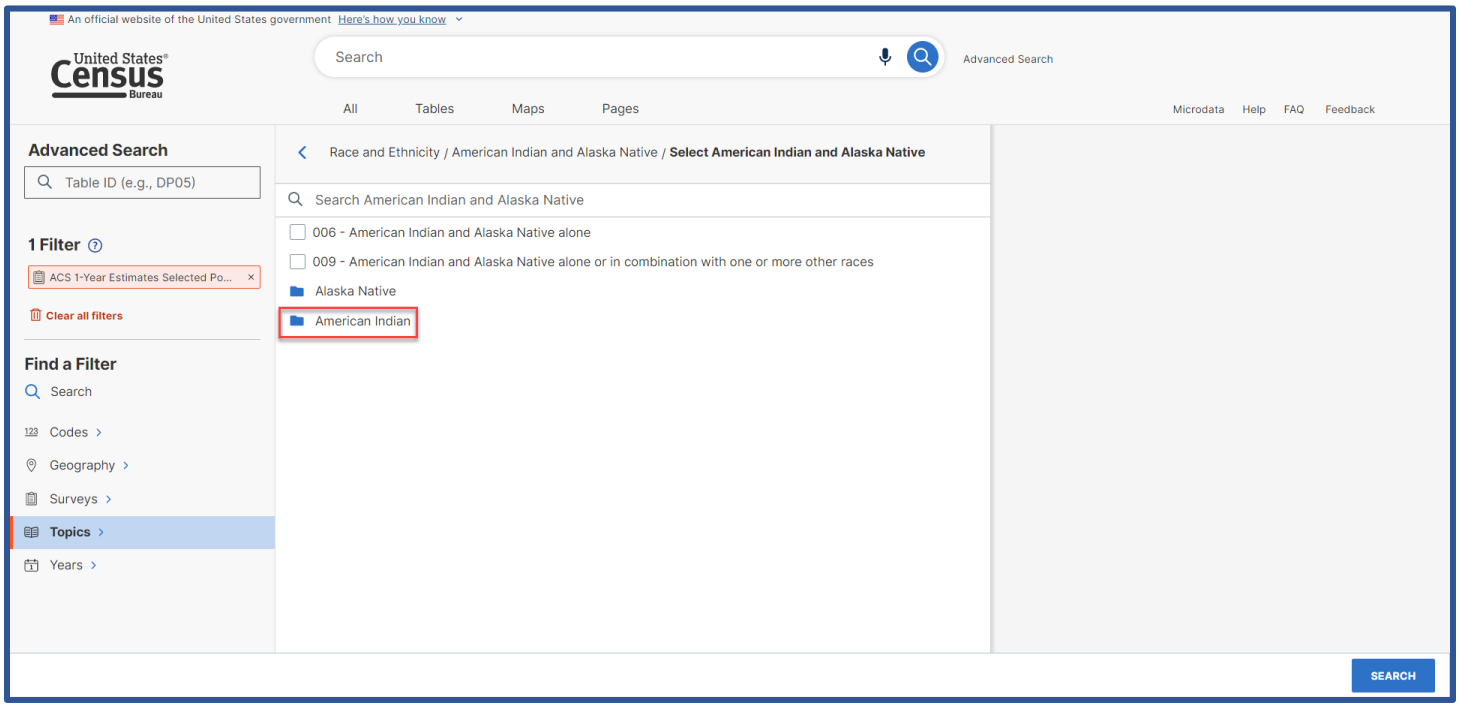


Then click on American Indian and Alaska Native.

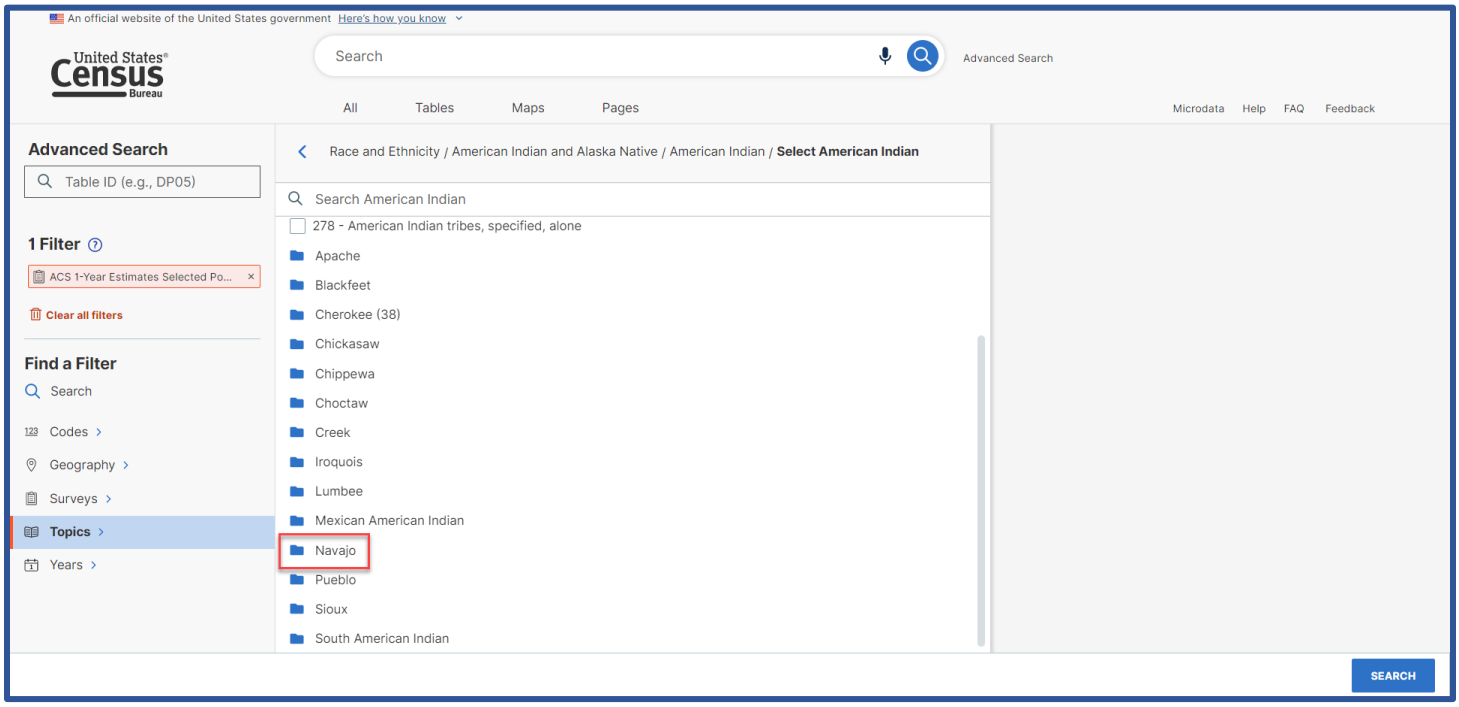


United States Census Bureau

Then click on American Indian.

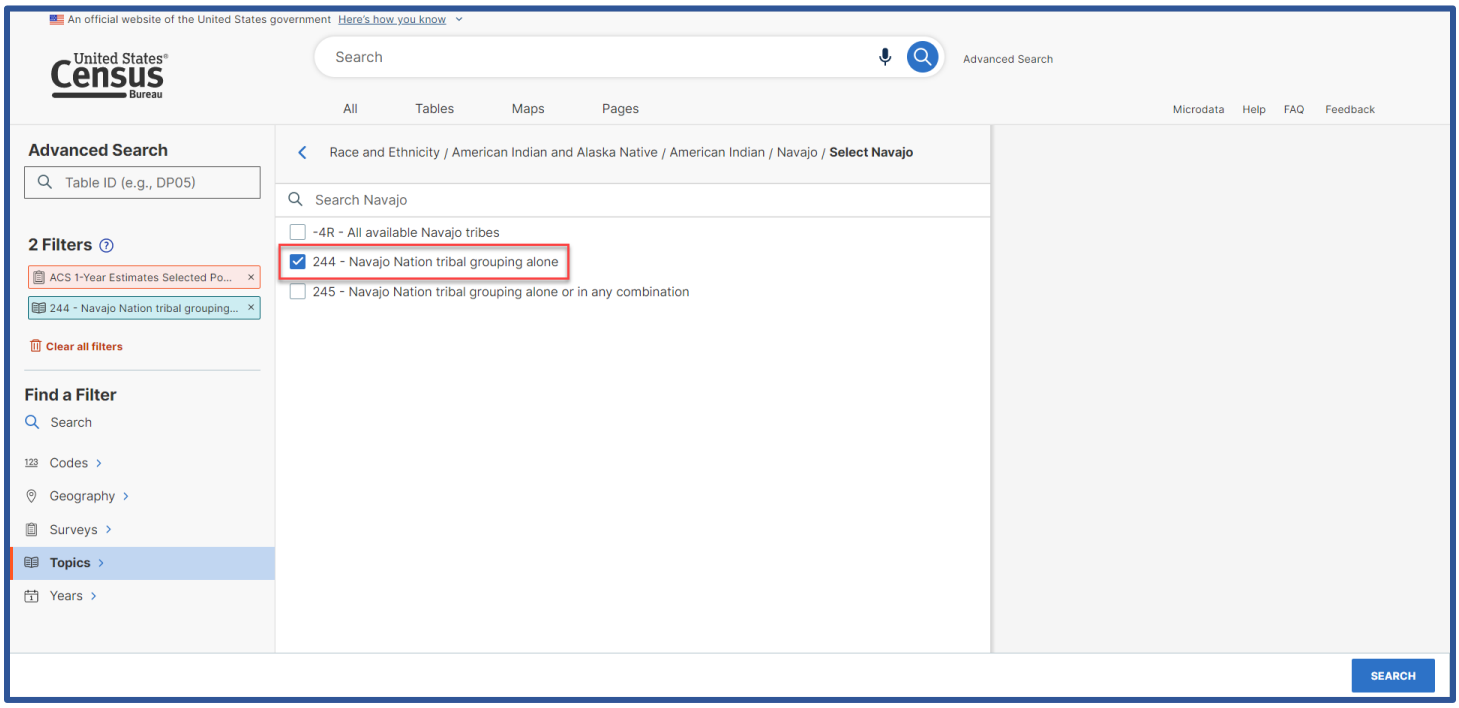


Then click on Navajo (for example).

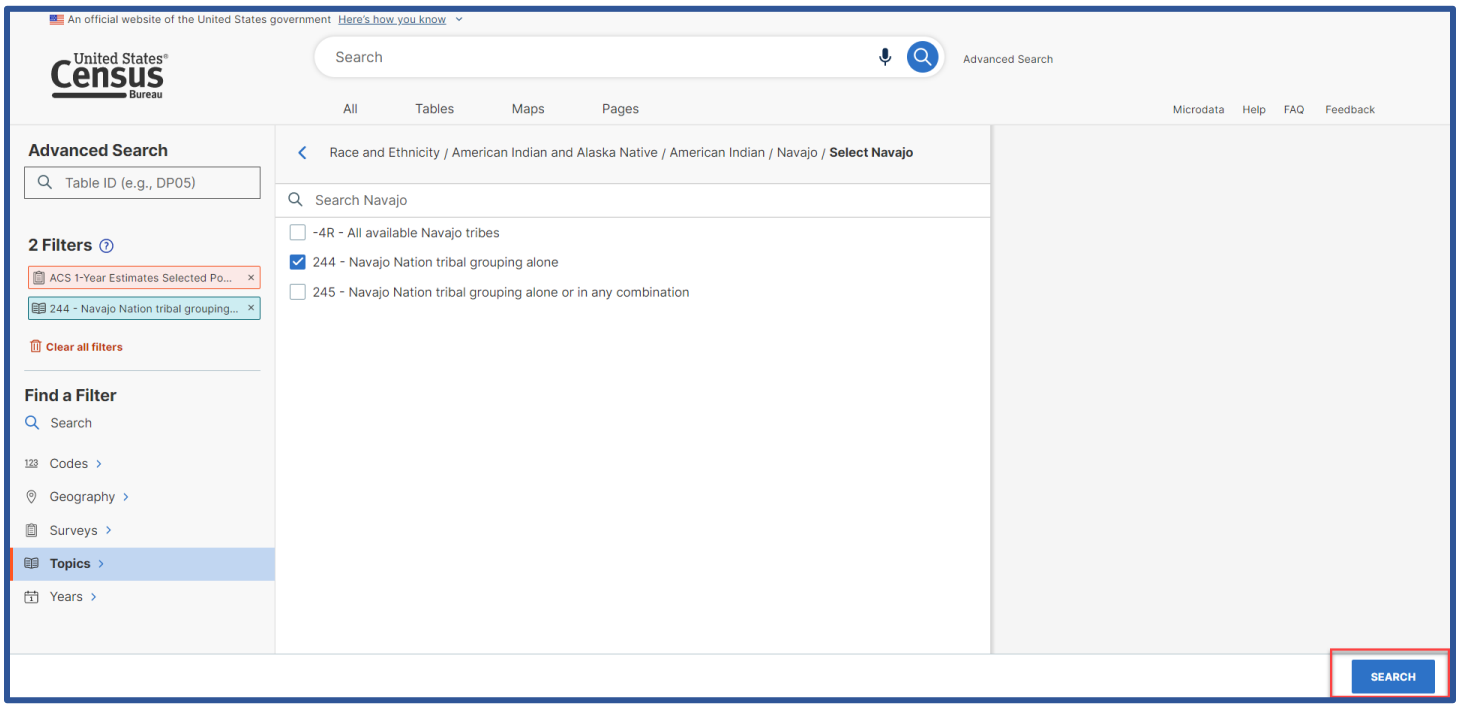


United States Census Bureau

Then check the box next to 244 - Navajo Nation tribal grouping alone.

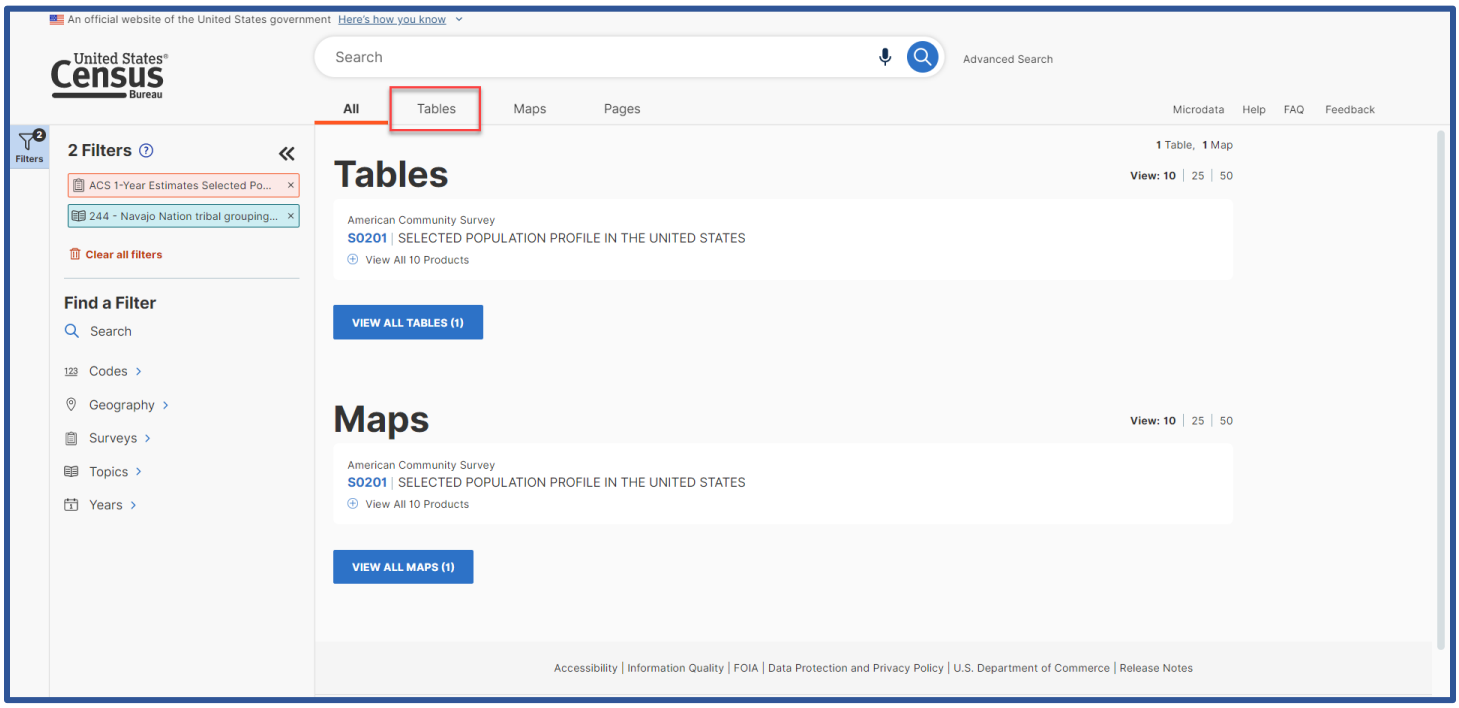


Step 4: Now that both filters we need are selected, click on the Search button in the lower right corner of the screen.

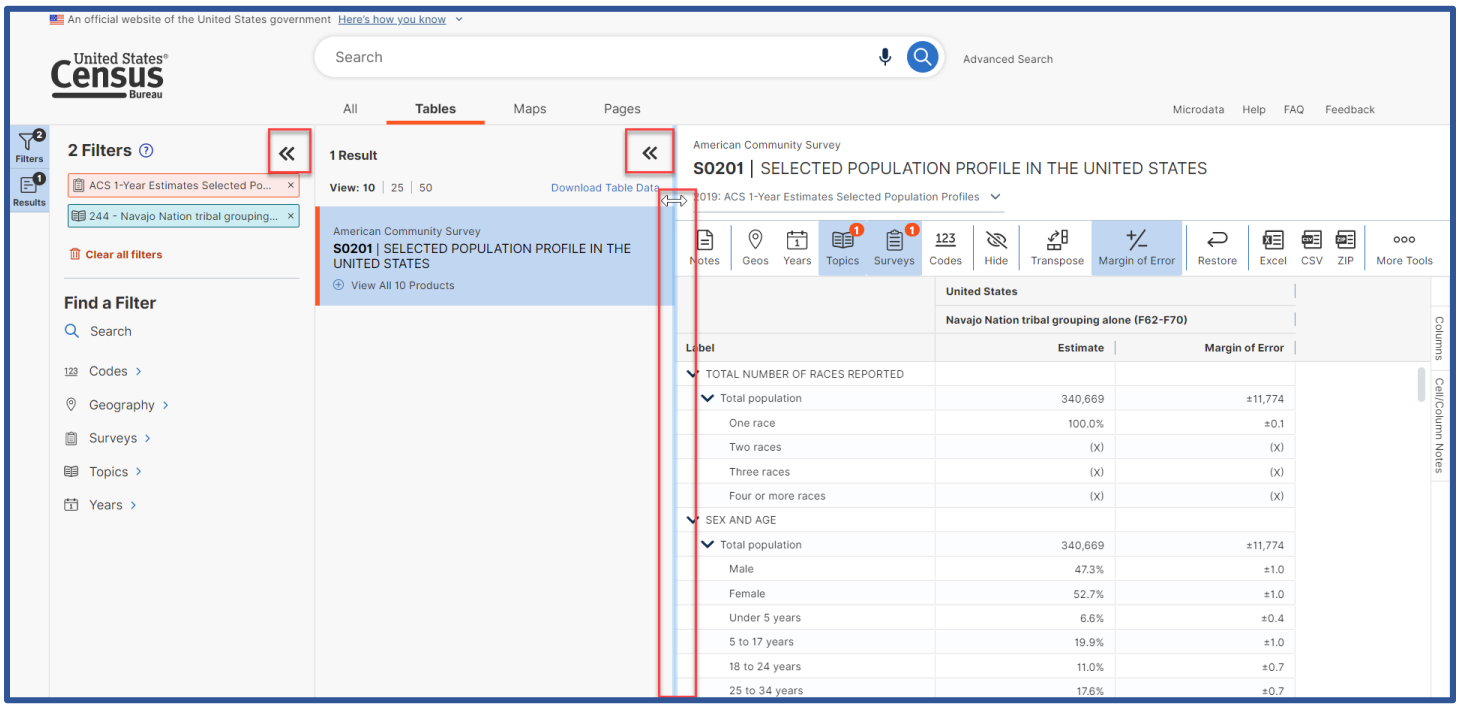


United States Census Bureau

Step 5: Click on the Tables tab near the top of the screen to view the table, S0201, Selected Population Profile in the United States.

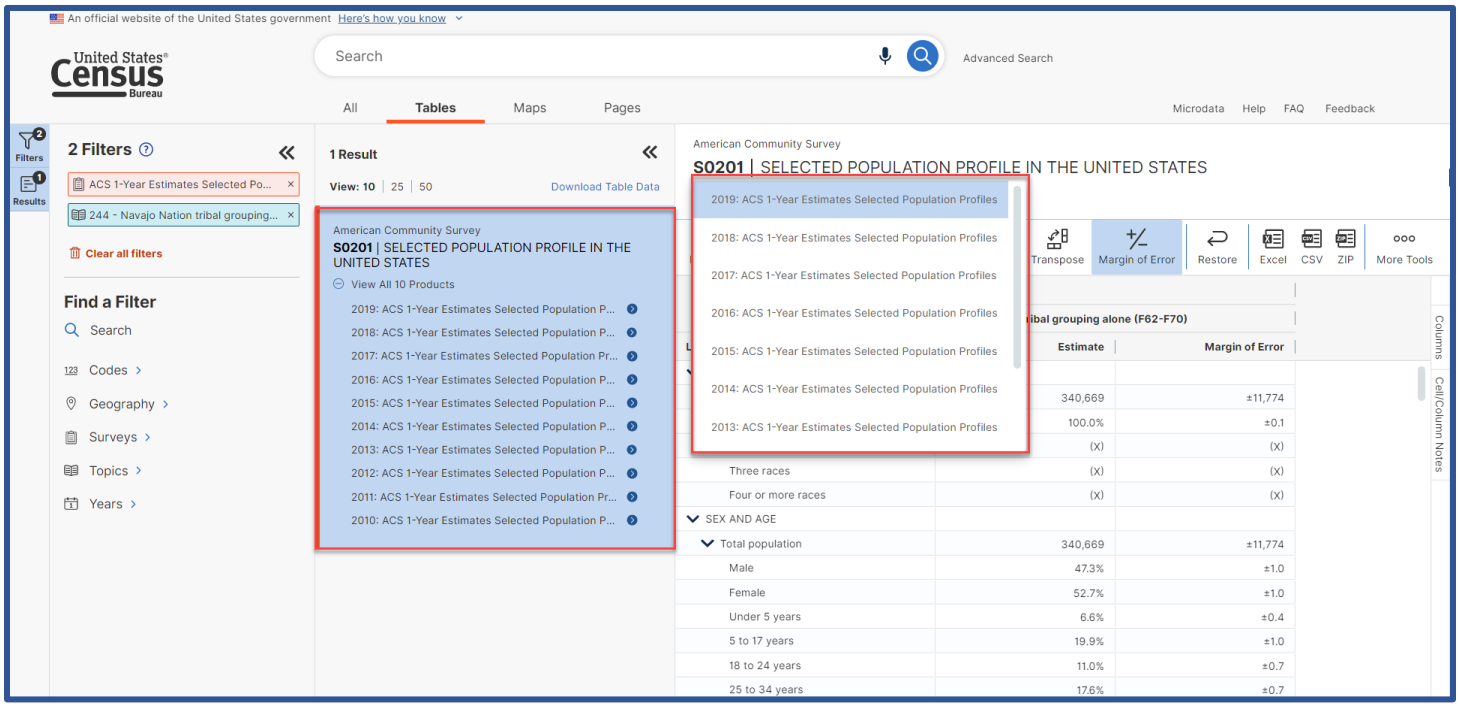


Step 6: Click on the panel border to change its size or click on the chevron to hide the panel completely.



United States Census Bureau

Step 7: The table displays the data for the Navajo Nation tribal grouping alone population for the United States. Currently the table is using the 2019 ACS 1-Year estimates. Use the dropdown menu to change to a different one, such as the 2018 ACS 1-Year estimates. Alternatively, you can click on the View All 10 Products button to see the same list.



Our Success Depends on Data Users Like You!

Visit data.census.gov often and tell us how we can make Census Bureau data easier to access by emailing your comments to census.data@census.gov.
