How to Select All Sectors by State in data.census.gov for the 2017 Economic Census

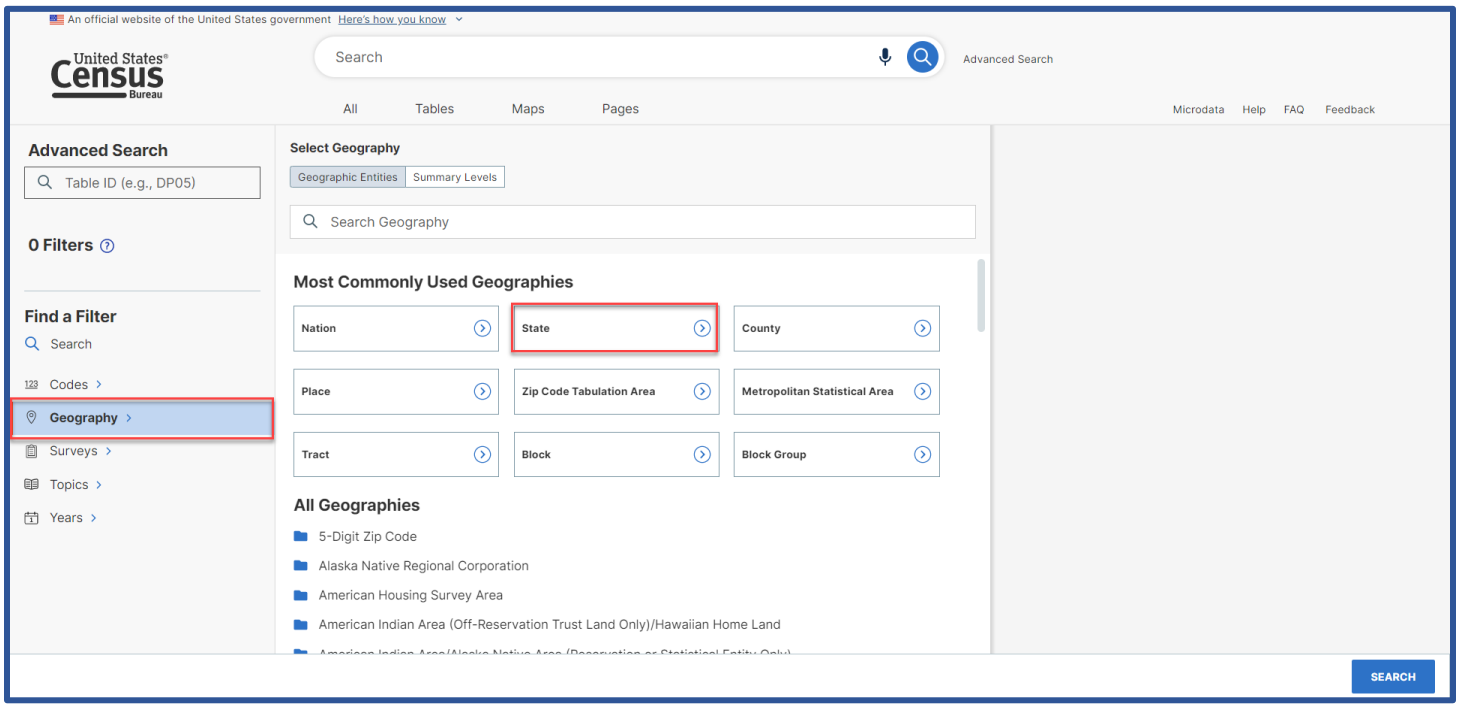
Example: All sectors in Colorado for the 2017 Economic Census

You can access the data at data.census.gov

STEP BY STEP INSTRUCTIONS:

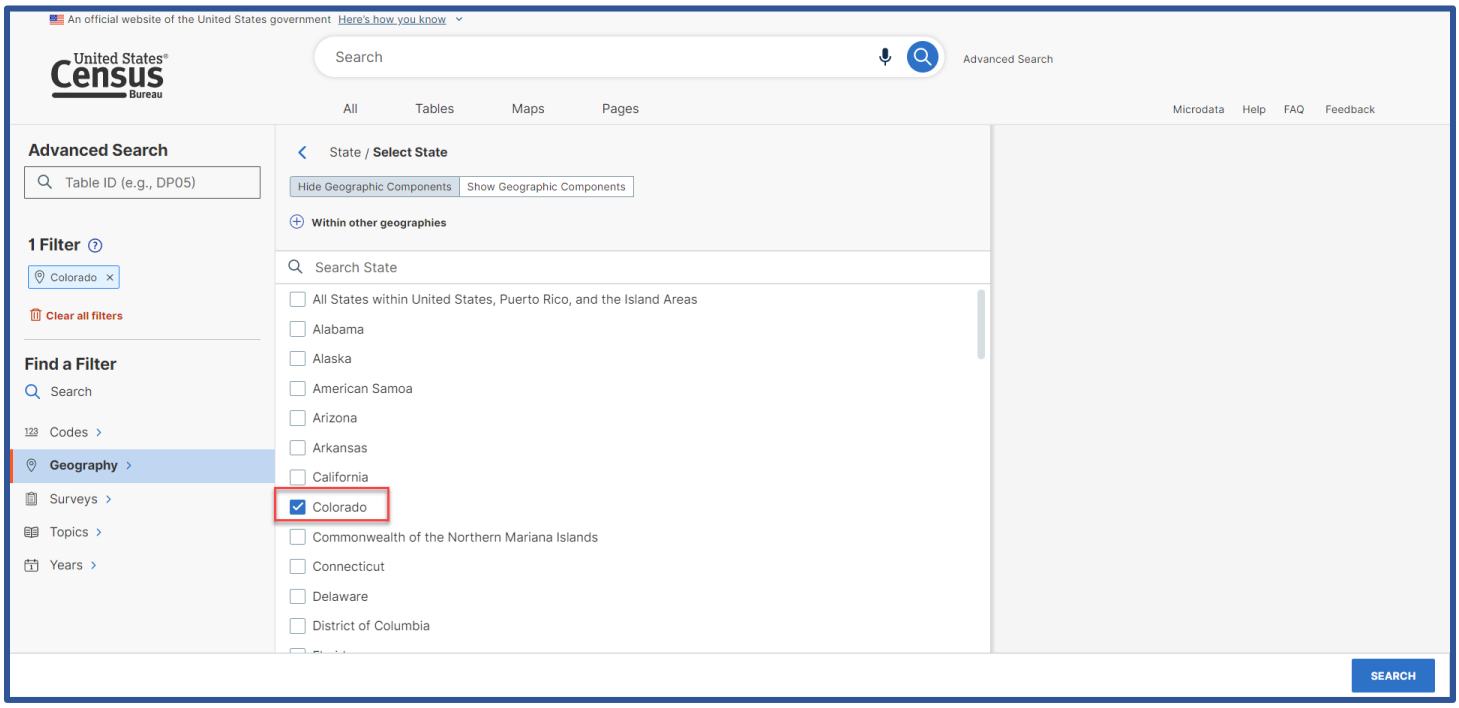
Step 1: Click on the "Advanced Search" button.

Step 2: Let's select the geography first. Click on Geography and then select the box for State.

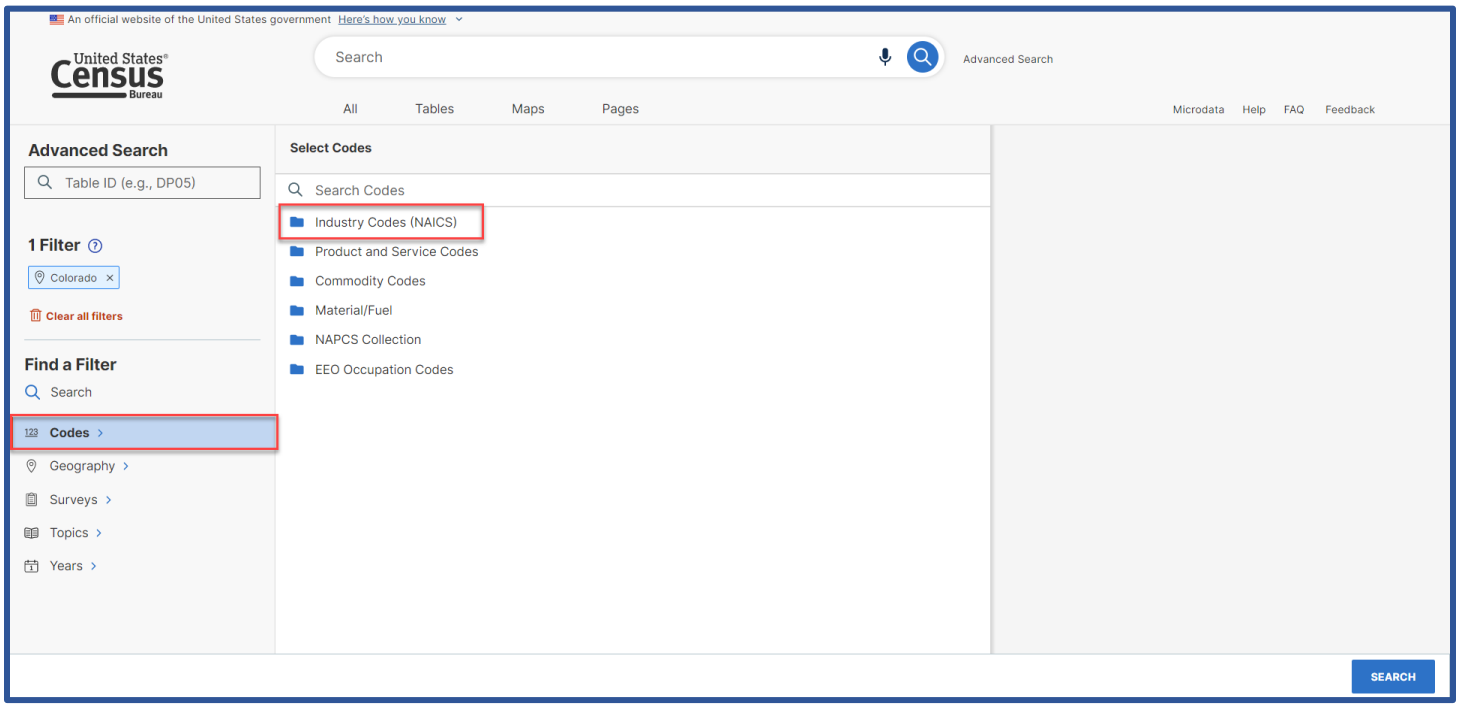


United States Census Bureau

Then check the box next to Colorado.

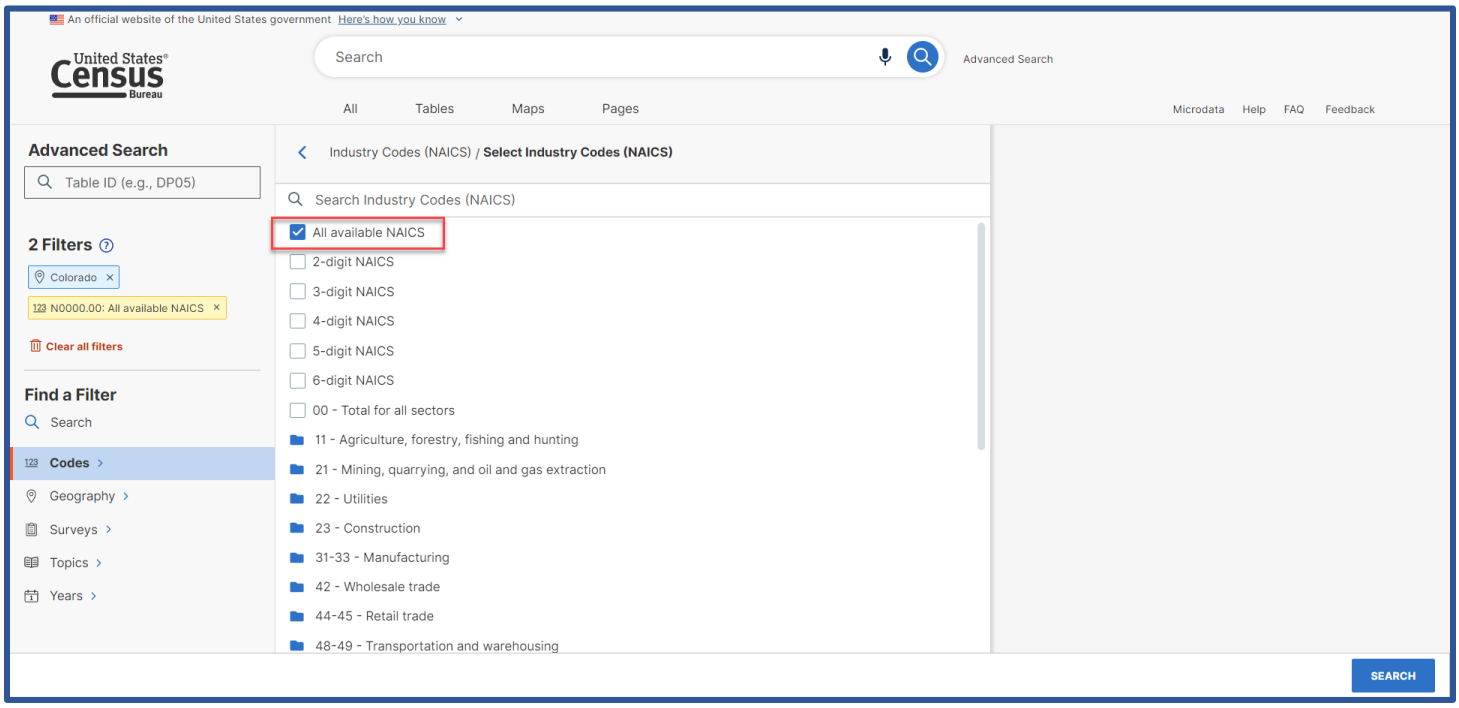


Step 3: Now click on Codes and Industry Codes (NAICS).

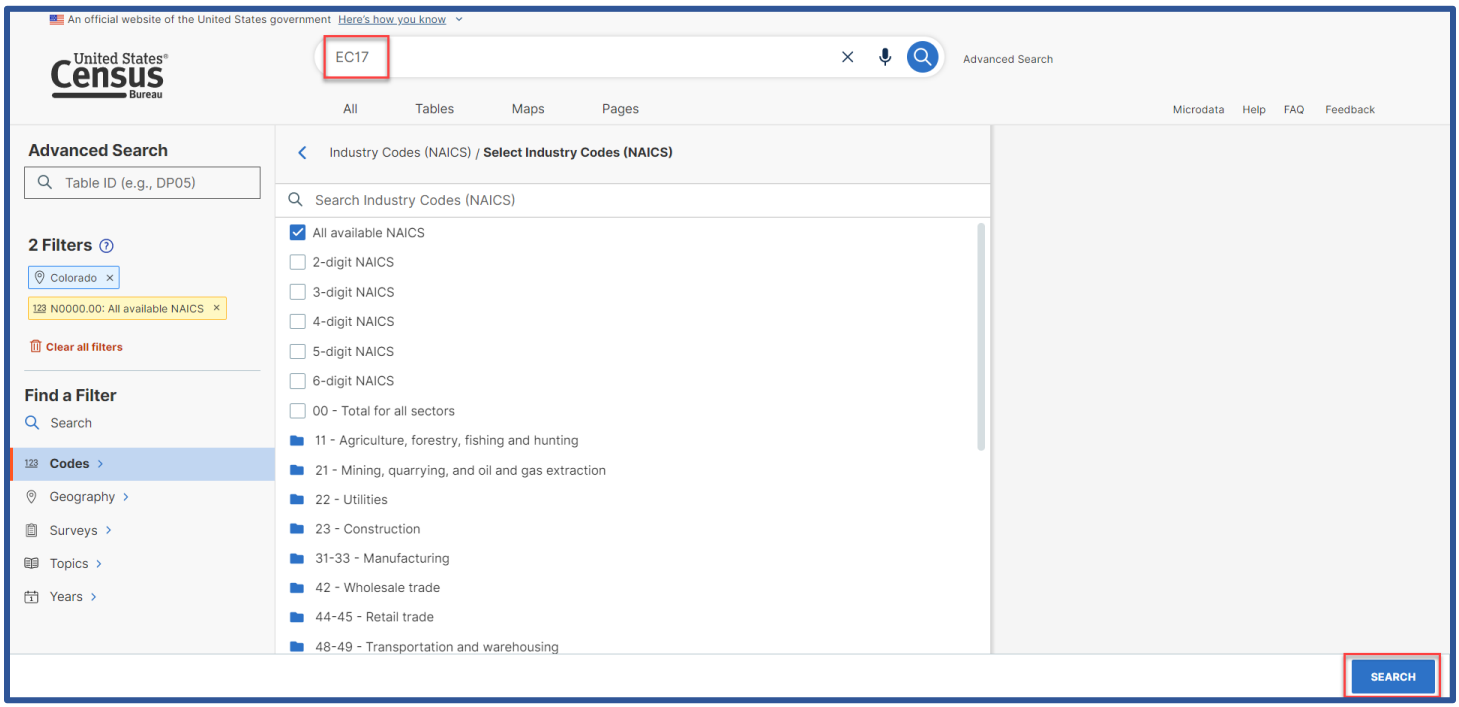


United States Census Bureau

Then check the box next to All available NAICS.

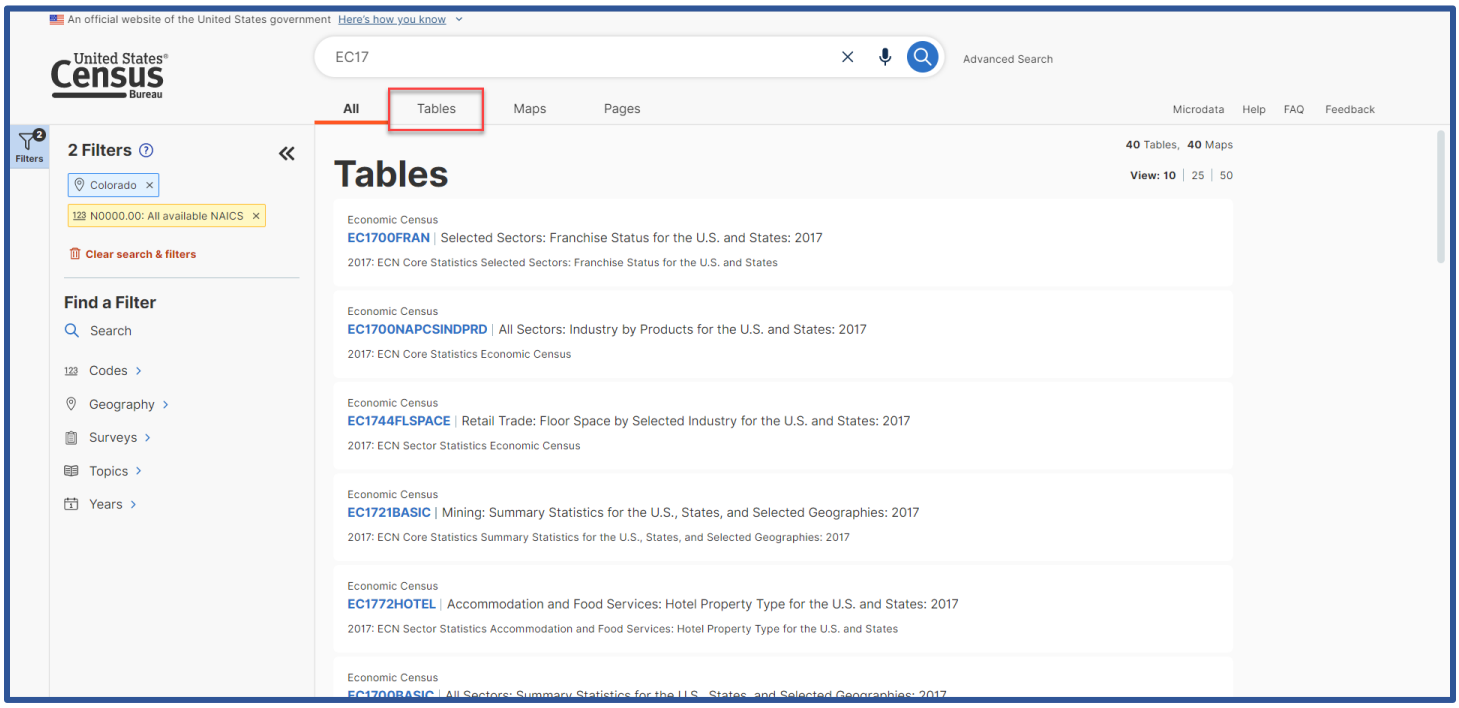


Step 4: Navigate to the top of the screen and enter "EC17" into the search bar. Then hit the Search button in the lower right corner of the screen.

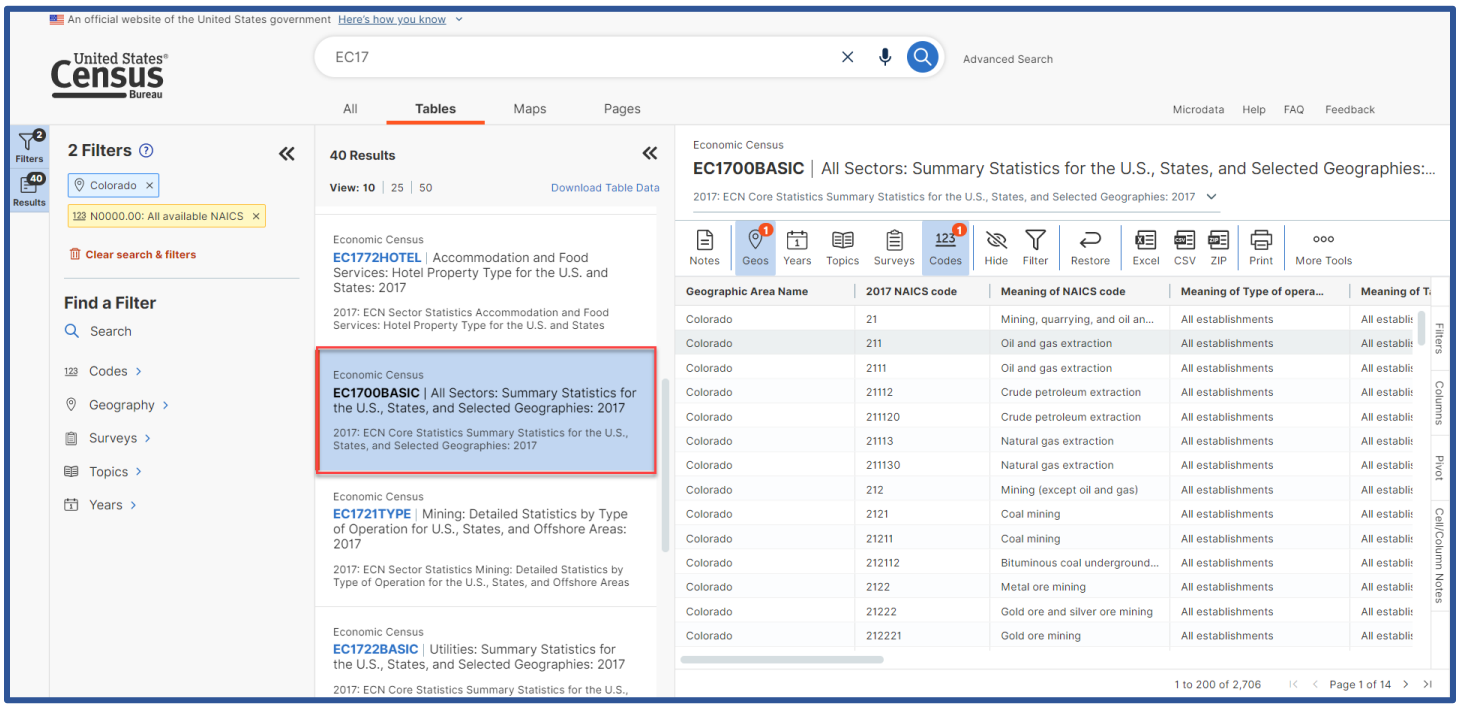


United States Census Bureau

Step 5: Click on the Tables tab near the top of the screen to view all the tables.

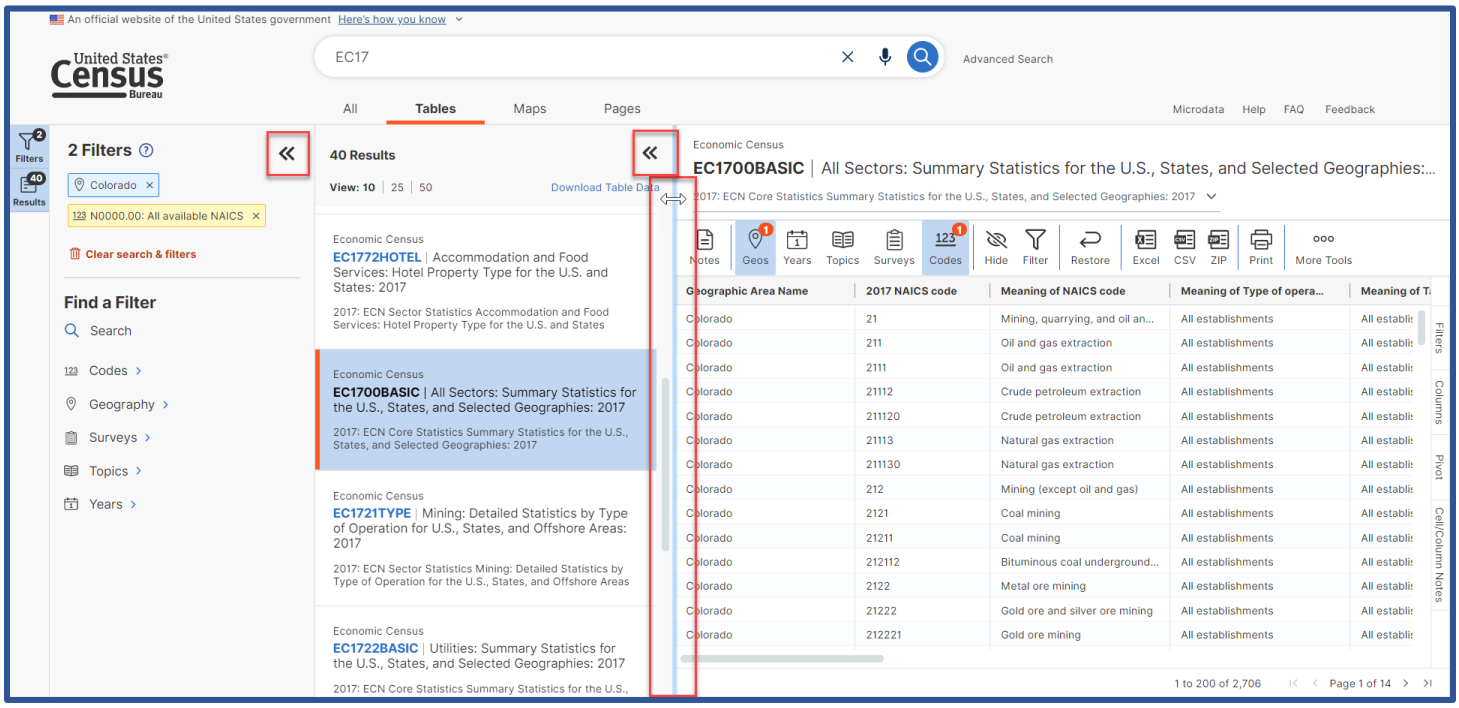


Step 6: Scroll down the list until you locate table EC1700BASIC, All Sectors: Summary Statistics for the U.S., States, and Selected Geographies: 2017. Click on the title to view the table.

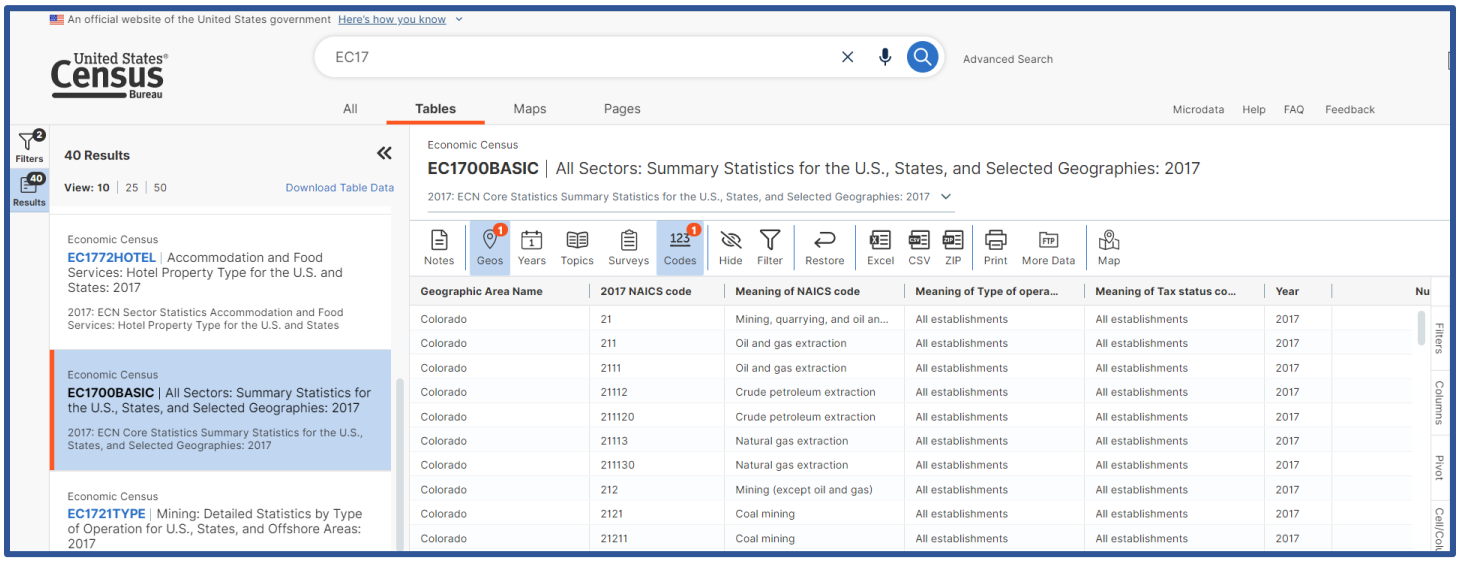


United States Census Bureau

Step 7: Click on the panel border to change its size or click on the chevron to hide the panel completely.



Step 8: View the desired data.



Our Success Depends on Data Users Like You!
