Old Plan to New Plan

- ❑ Main reason: Implementation of old plan is running behind by about 3 months
- ❑ Assumption: There is no way to catch up (Or is there?)
- ❑ Environmental factors – Outside of Census control?
- ❑ New approach reduces scope down to something more manageable
- ❑ Still, how will Census insure new schedule works?

'Troublesome' Topics

- What is troublesome?
 - Intrusive
 - Burdensome
 - Overly sensitive
- What is intrusive or sensitive for one group may not be for another...
- Things “we don't talk about”: plumbing, income, disability. Not as clear with journey to work.
