# Integrated Partnership and Communications

## Main Components

The Integrated Partnership and Communications operation communicates the importance of participating in the 2020 Census to the entire population of the 50 states, the District of Columbia, Puerto Rico and the island areas to:

- Engage and motivate people to self-respond, preferably via the internet
- Raise and keep awareness high throughout the entire 2020 Census to encourage response

# Integrated Partnership and Communications

## Community Partnership and Engagement Program Objectives

**Enroll** community partners to increase decennial participation of those who are less likely to respond or are often missed

- **Educate** people about the 2020 Census and foster cooperation with enumerators
- **Encourage** community partners to motivate people to self-respond
- **Engage** grass roots organizations to reach out to hard-to-count groups and those who are not motivated to respond to the national campaign

# Integrated Partnership and Communications

## Integrated Communications Contract

**Scope:** Plan, design, produce, implement, and monitor an integrated communications program for the 2020 Census

**Importance:** Supports the 2020 Census Program's mission to conduct a complete and accurate census in 2020

- The Partnership and Communications Program is the public face of the 2020 Census
- The Integrated Communications contract is a key foundation for a successful 2020 Census - we have learned a great deal from the last two decennial censuses and used that in planning for this contract
