[1] The law provides for a tax on wine made in imitation of champagne, etc., but no internal revenue was derived from the same during the fiscal years 1883–1898. The amounts thus received in some of the subsequent years are so small as to be negligible in the following table, except in 1905, when they amounted to nearly $700.

[2] From 1884 to 1890, inclusive, year ended April 30.

[3] Fourteen months ended June 30.
