[1] The figures of this table do not in most instances agree with those under corresponding heads in the table following, owing to the fact that the schedules of the tariff and the classifications of the Bureau of Foreign and Domestic Commerce do not fully coincide as to the articles included. See note 2, p. 468.

[2] Potatoes, dutiable under paragraph 581, and wheat and products, dutiable under paragraph 644, tariff act of 1913, are included, beginning with 1914.

[1] The average ad valorem rates on dutiable merchandise are based on ordinary duties, and those on free and dutiable merchandise are based on total duties collected.
[2] Export duty from the Philippine Islands not included after 1902. The figures of this column do not include additional and discriminating duties.
[3] Including duty equivalent to internal-revenue tax and drawback on articles exported from the United States returned.
