- Represents zero or rounds to 0.0.

(X) Not applicable. Incorporated since 1990.

¹ 1990 census counts are as published in 1990 census reports and thus do not include any changes published subsequently due to boundary changes or to the Count Question Resolution program.

² "Independent cities" (cities that are independent of any county organization) are not shown here with counties. Nevada has one independent city: Carson City. Nevada's 16 counties and 1 independent city together comprise the entire state.
