NOTE 1.—$966.185.84 was paid as bounty from July 1, 1894, to August 28, 1894, when the bounty law was repealed. The sugar covered by these payments was produced in the fiscal years ended June 30, 1893, and June 30, 1894.

NOTE 2.—It will be observed that bounty payments by fiscal years do not correspond to the sugar produced each fiscal year for the reason that the payments on one year's product have, to a large extent, been made in a subsequent year.
