How can I find the state, county, tract number, block group number and other geographic information of a particular address?

Data.census.gov does not have an address search feature available. However, you can access geographic information, such as the state, county, tract number, block number, and block group number, about a particular address using the Census Geocoder.

The Geocoder can be accessed at https://geocoding.geo.census.gov/geocoder/geographies/address?form.

**Step 1:** Select Address under “FIND GEOGRAPHIES USING...” OPTION.

**Step 2:** Enter the street address.
