

Using data.census.gov : Landing Page

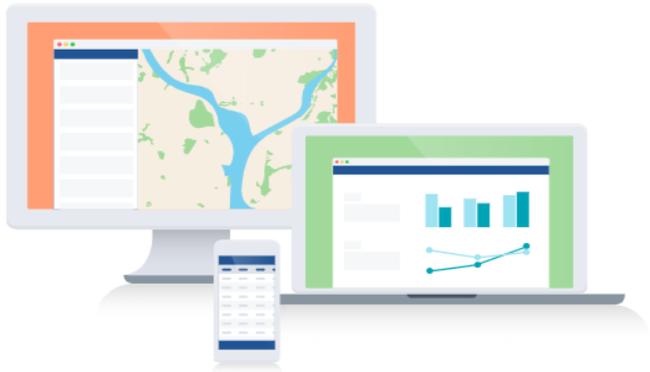

The screenshot shows the landing page of data.census.gov. At the top left is the United States Census Bureau logo. The main heading is "Explore Census Data". Below it is a search bar with the placeholder text "I'm looking for ...". To the right of the search bar is an illustration of a desktop monitor, a laptop, and a smartphone, all displaying data visualizations like maps and bar charts. Below the search bar is a link for "Advanced Search". The page is divided into three columns: "Questions?", "Release Notes", and "Stay Connected". Each column contains several links to various resources.

United States Census Bureau

Explore Census Data

The Census Bureau is the leading source of quality data about the nation's people and economy.

New Updates to data.census.gov – June 2019

JUNE 20, 2019

Description

Explore the latest release of data.census.gov, the new site to access Census Bureau data. With no data releases in American FactFinder after June 2019, this platform will be the primary way to access data from the 2018 American Community Survey, 2017 Economic Census, 2020 Census, and more! Join this webinar to see a live demonstration of our early summer updates and learn how to access data from the new site.
