Click on 'MAPS' in the upper-left part of the window to switch from tables to maps.

Using data.census.gov: Customize Map

The screenshot shows the data.census.gov interface. At the top left is the United States Census Bureau logo. A search bar contains the text 'poverty'. Below the search bar are navigation tabs for 'ALL', 'TABLES', 'MAPS', and 'PAGES', with 'MAPS' selected. The main content area displays the title 'Population for whom poverty status is determined—Total'. Below this, there are dropdown menus for 'Survey/Program' (American Community Survey), 'Data Variable' (Population for whom poverty status i), 'Product' (2017: ACS 1-Year Estimates Subject), and 'Geographies' (State). A red box highlights a teal 'CUSTOMIZE MAP' button in the upper right corner. The central part of the page features a map of the United States with several states shaded in various shades of blue and teal, representing different poverty levels. A legend in the bottom left of the map area provides the following data:

Color	Range	Count
Dark Teal	3052634–5483104	1
Medium Teal	1865039–3052633	1
Light Teal	1024514–1865038	2
Light Blue	729356–1024513	2
Very Light Blue	565242–729355	2
Grey	No Data	0

At the bottom left of the map area, there is a '500mi' scale bar and a 'Send Feedback' link. The bottom right of the map area contains zoom controls (+, -, up, down arrows) and a map icon.

Click on the CUSTOMIZE MAP button in the upper-right corner of the window.
