

Disclosure Review Board Minutes  
1/10/05

1. NCVS identity theft

This was approved. The amount of money lost due to the identity theft will be rounded to 2 significant digits if the value is over \$100 or rounded to the nearest multiple of 10 if under \$100.

2. 2 requests from (b) (6)

These were approved.

3. State Legislative District products

These were approved. For each geographic entity, there must be at least 100 people (100% data) and 50 people in sample (sample data) for the SF1 and SF3 tables to be shown. If either of the thresholds are not met, no data will be published for that geographic entity.

4. ACS ST024

This was approved. The data will be rounded as all ACS special tabulations.

5. ACS tables on month of interview by age by grade level

These were approved. The data will be rounded as all ACS special tabulations. Grade level categories 6 and 7 will be combined.
