

Disclosure Review Board Minutes  
11/19/07

1. (b) (6) synthetic test data for StEPS

The Board approved the application. A subject matter expert for a given survey should also give approval for a specific test data set after considering the data and, when necessary, consulting with the DRB over any concerns or questions. (b) (6) will ask (b) (6) (b) (6) about the need to inform the IRS of these plans.

2. ACS NH (b) (6)

This was approved. The data will be rounded as all ACS special tabulations.

3. ACS LA County

This was approved. The data will be rounded as all ACS special tabulations.

4. CPS ASEC 07 Disability

This was approved.

5. US Exports 05/06

This was approved.

6. Census 2000 PHC-T-44

This was approved. (b) (6) will contact (b) (6) about how the blanket memos can be revised to reflect the fact that we do not need to review requests for data products that can be created from other data products previously approved/released.

7. ATUS Simultaneous Activities

(b) (6) will contact (b) (6) and request a list of activities that could be associated with a time stamp such as phone calls and Easy-Pass toll uses.
