

Disclosure Review Board Minutes

2/4/08

1. ST081 LA CCD ACS 2006 006

This was approved. The data will be rounded as all ACS special tabulations.

2. (b) (6) data presentation to RD conference

This was approved. (b) (6) will mention to (b) (6) that the household language break seems odd.

3. SIPP 2004 Panel Wave 7

This was approved.

4. CPS ASEC 2001 & 2002

This was approved.

5. 0429 (b) (6)

This was approved with a minimum cell size of 5. Complementary suppressions or roll-ups will be applied.

6. 0412 (b) (6)

This was approved.

7. NESARC 2004 data

This issue will go to the DSEP on Thursday 2/7/08. Options discussed included attaching a small number of 2001 values with noise added for a public use file (a difficult if not impossible task) and/or making all of the data available at the Research Data Centers.
