

Disclosure Review Board Minutes

3/31/08

1. Phase II report on MSIS vs. CPS ASEC

This was approved.

2. Nancy Bates' request for DraftFCB

This was approved. For each of the 3 real-time MRR tables, there must be at least 3 contributing households in a given geographic area before any data is published. Once the threshold of 3 is met, the daily data (including any previous data) may be released.

3. 0595_Davis

This was approved.

4. CSO ST079 Schneider MN

The release of the new one number in the paragraph was approved (not the distribution).
