

Disclosure Review Board Minutes

4/7/08

1. STP_365 (b) (6)

This was approved. The data will be rounded as all Census 2000 special tabulations.

2. ACS Group Quarters request

We find no disclosure problem if this is released for the nation or the nation plus Puerto Rico (but not both). The data will be rounded as all ACS special tabulations. Special tabulations from Census 2000 sample data were only allowed to include the categories of Institutional and Non-Institutional for GQ data. Because of better disclosure avoidance procedures now being used to protect GQ data, other categories could perhaps be allowed for the ACS. (b) (6) will consult with the DSEP members involved in the previous Census 2000 decision and make sure that they agree that we can release more detail for ACS.
