

Disclosure Review Board Minutes  
10/6/08

1. Medicaid Undercount Project

This was approved. After the meeting, (b) (6) confirmed that NCHS and CMS have also approved.

2. SIPP 2004 Wave 7

This was approved. (b) (6) will email (b) (6) that page 3 of Attachment A should say that 100% of the specified problematic occupation codes were recoded.

3. AHS Sample Counts on the Intranet

This request was denied. Staff should find a different way to communicate this information such as password protected directory access or encrypting the data and sending them as an e-mail attachment. The data should only be available on a need-to-know basis.

4. STP\_378 (b) (6)

This was approved. Because this data could be derived from data that have already been released, it does not need to be rounded like most special tabulations.

5. Releasing "Within-PSU" Replicate Weights for CPS

DRB members had several questions about this request and would like (b) (6) to come to the next meeting for further discussion.

6. A, 6B, and 6C. 0524 (b) (6) Requests #141, #149, and #150

These were approved.

7. 5094 (b) (6)

This was approved.

8. 2005 and 2008 NYCH&VS Vacancy Rates

This was approved via e-mail after the meeting.
