

Disclosure Review Board Minutes
12/15/08

1. 2008 NYCH&VS Longitudinal File

This was approved. (b) (6) will request answers to several questions that members have concerning the single year public use files. Before releasing any new single year file, we would like to know:

- a. Is the floor of the given unit topcoded to match the topcode for number of floors in all units?
- b. Is the year built bottom-coded?
- c. Is the year-moved-in bottom coded to match the topcode for age?
- d. Is sub-borough identified on the file?
- e. Is the 10,000 national population threshold followed for race categories?
- f. Is the variable “program status” available on outside files?

2. ACS 2005 – 2008 PUMS part 2 of 2

This was approved.

3. ASEC Replicate Weight Files

This was approved.

4. Population Reference Bureau request from (b) (6)

This was approved.

5. ACS HHS Children in Poverty Special Tabulation

This was approved. The data will be rounded as all ACS special tabulations.
