

Disclosure Review Board Minutes
1/26/09

1. Sampling from the Pre-DA ACS Files

This was approved.

2. Guidelines for SSA's DRB

(b) (6) will gather any remaining comments from our DRB members, send them to us to make sure they are final, and then send them to (b) (6) at SSA.

3. AHS 2001-2005

This was approved.

4. HUD Utility Cost Data

This was tentatively approved. (b) (6) is going to see if the metro areas are made up of full counties. DRB rules for means and medians will be applied.

5. 2008 ACS Data Products Changes

This was approved.

6. STP_383 (b) (6)

This was approved. The data will be rounded as all Census 2000 special tabulations.

7. STP_384 (b) (6)

This was approved. The data will be rounded as all Census 2000 special tabulations.

8. DRB Seasonal Questions from (b) (6)

The first part of the request is approved. There are 2 options for the second part of the request. Option 1: There must be at least 50 unweighted seasonal households and 50 unweighted non-seasonal households in a given geographic area for the data to be shown. Option 2: Reduce the number of columns in the tables and use a threshold of 3 instead of 50. (b) (6) will come back to us with this request when ACSO has decided what they would like to do.

9. SIPP 1999 for Conference Paper

This was approved.

10. 0463(b) (6)_304

Means and dummy variables must be based on at least 3 observations. (b) (6) still has a few questions about this request. When he gets answers, we will try to finish this up via email.
