

Disclosure Review Board Minutes

7/12/10

Attendees: Arnie Reznick, Laura Zayatz, Phil Steel, Rebecca Rubiera, Marie Pees, Tom Blatt, Phil Gbur, Judy Eargle, Mark Asiala, Susan Bucci

1. 2 tables for FTD

These were approved prior to the meeting via email.

2. (b) (6) Paper

This was approved.

3. 2009 ACS PUMS additional variables

This was approved.

4. (b) (6) memo

This was approved. They will remove the earnings example since that has been dropped from the request.

5. Micro level Census Data for the Island Areas

The geographic population threshold remains at 100,000.

6. FLD Decennial Oversight

This was approved via email. All unweighted counts of 1 and 2 were suppressed.

7. CPS 2010 ASEC for Medicare

This was approved.

8. CPS 2010 ACEC for Disability

This was approved.

9. Migration data request 2nd version from Census 2000

This was approved. The data will be rounded as all Census 2000 special tabulations. The cell counts for the female tabulation must also meet the threshold of an

unweighted mean of 3 or more because they can be obtained through subtraction.
There must be at least 3 unweighted cases of males and of females for inflow data and
for outflow data in a given geographic area for the data to be shown.

10. (b) (6) request

This was approved.

11. CPS ASEC March of Dimes 2010

This was approved via email.

12. NCHS Recurring Data Request from CPS

This was approved via email.
