products. The boundaries also reflect the feature network and coordinates as of the Census 2000 geographic base. Since
1990 the Census Bureau updated the base from the North American Datum of 1927 (NAD27) to the datum as of 1983 (NAD83)
and made numerous updates to the base features from those depicted in 1990. The boundaries shown on this map are for
the Census Bureau's statistical data collection and tabulation purposes only; their depiction and designation for
statistical purposes does not constitute a determination of jurisdictional authority or rights or ownership or entitlement.
