Congressional districts are those in effect for the 108th Congress of the United States (January 2003-2005); all other legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement. Population threshold for inclusion of incorporated places is based on the 2000 Census of Population and Housing.
