* The Census Bureau works with other federal governments or state officials to define statistical entities for federal and state purposes. American Indian and Alaska Native entities that have no legal defined land base. These entities are portrayed on this map with the name of the entity and a note "OTSA".

Congressional districts are those in effect for the 108th Congress of the United States (January 2003-2005); all other legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are for Census Bureau statistical data collection and tabulating purposes only. They are not intended to designate or imply endorsement for any purpose that does not constitute a determination of jurisdictional authority or rights of ownership or control.
