

**Date** - April 17-19, 2013

**Location** - National Conference Center (NCC), 18980 Upper Belmont Place, Leesburg, Virginia

**Goals**

1. To update partners on the progress that has been made on the GSS-I and the benefits of conducting a targeted address canvassing.
2. To provide partners with an update on the five Address Pilots that resulted from the Census Address Summit held in September 2011.
3. To provide an overview of and solicit comments on the Geography Division's Partnership Program plans.
4. To provide partners with an update on the results of processing the data files collected as part of the GSS-I.
5. To introduce Community TIGER, a new web-based data collection tool to our partners.
