2020 CENSUS LOCAL UPDATE OF CENSUS

If your government determined the U.S. Census Bureau's address list for the 2020 Census Local Update of Census Addresses Operation (LUCA) is correct and you have no address updates or changes, please check the box below:

**No updates or changes to addresses**

Because your government reviewed the LUCA addresses, you are eligible to be included in the LUCA feedback phase. After the address validation operation, the Census Bureau will provide the LUCA feedback materials between August – September 2019. The LUCA feedback provides an opportunity to determine if you agree with the results of the Census Bureau address validations. If you do not agree with the feedback results, you may file an address appeal.
