Entity names are followed by either their FIPS code or census code; parentheses indicate a census code.

<sup>1</sup> "MCD" indicates a false MCD. These are for Census Bureau use only.  
<sup>2</sup> The CCD and CDP boundaries represent statistical entities only and are not updated through the BAS.  
<sup>3</sup> Incorporated place name color corresponds to the incorporated place fill color.

Due to space limitations, some road names, along with other feature and geography names on the map, may not be shown.  
 The Census Bureau stores primary and alternate road names, but only primary road names are used to label the roads on these maps.
