Entity names are followed by either their FIPS code or census code; parentheses indicate a census code.

<sup>1</sup> "MCD" indicates a false MCD. These are for Census Bureau use only.

<sup>2</sup> The CCD and CDP boundaries represent statistical entities only and are not updated through the BAS.

<sup>3</sup> Incorporated place name color corresponds to the incorporated place fill color.

Due to space limitations, some road names, along with other feature and geography names on the map, may not be shown.

The Census Bureau stores primary and alternate road names, but only primary road names are used to label the roads on these maps.

All legal boundaries and names are as reported through the 2020 Boundary and Annexation Survey (BAS) and Boundary Validation Program (BVP). The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
