INSTRUCTIONS

GENERAL

1. The revenue and expenditures categories presented in this Financial Report conform to those used in the chart of accounts recommended by this Department. If your city or town uses other revenue or expenditure accounts which do not clearly correspond to the ones presented in this form and our chart of accounts, please contact the Department of Audit to determine an appropriate method of reporting them. The major objective is to obtain uniform reporting from all cities and towns to permit meaningful comparison of financial information.
2. **PLEASE ROUND ALL MONETARY AMOUNTS TO THE NEAREST DOLLAR.**
3. The report is to reflect the activity (receipts and disbursements) of all funds belonging to the city or town.
4. Do not show any budget amounts on this report. It is to show sources of funds received and uses of funds expended.
5. Include all revenues of the following districts in the report:

City airport	Boards of public utility	Local improvement districts
Street lighting districts	Urban renewal agencies	Lodging tax <u>city</u> boards, NOT JPB
6. Exclude all revenues of the following districts in the report:

Joint power boards	Water and sewer districts	Special districts which are separate entities
--------------------	---------------------------	---
7. **If you cannot decide where an item should be classified, please call Department of Audit at (307) 777-7798, for further assistance.**

REVENUES (PARTS I, II, AND III)

1. Record all of the city's or town's revenues in all funds. Do not include: (1) transfers from other funds; (2) proceeds received from the sale of bonds or funds received from long-term loans (this will be shown in PARTS V, (Page 4, Line A.2.) and VII (Page 5, Line 3)); or (3) principal from the sale of an investment (only the interest received should be shown as a revenue).
2. For any revenues that do not appear to fit the categories listed, you should record these on Page 6, PART XI, and/or on an attached sheet. Please show an item description, amount and if known, its alpha numeric code (number and letter on the left in revenue amount boxes).
3. Total revenues for PARTS I, II, and III and place the amounts in the Revenue – Summary-totals following PART III on Page 2.
4. Copy the total revenue amount from the Revenue-Summary-totals to PART VII (Page 5, Line 2) – Total revenues.

EXPENDITURES (PART IV)

1. The "Chart of Accounts Reference" column relates the line items to the chart recommended by this Department, as presented in the "Wyoming Municipal Accounting Handbook." If your city or town does not implement this chart, you should nevertheless refer to it to draw meaningful comparisons to your own chart. You should then group your financial data accordingly, thus maintaining the uniformity of response for proper comparison.

EXPENDITURES (PART IV) – Continued

2. The "Full-Time Equivalent Positions" asks for the number of employees assigned to each of the designated cost areas. "Full-time refers to a person who works a full 40-hour week 52-week year (with allowance for leave). If, for example, two people each work 20 hours per week in a given area, they comprise one full-time equivalent person.
3. Record all of the city's or town's expenditures in all funds. Do not include: (1) transfers to other funds; (2) the payments reducing bonded indebtedness or long-term loan payments (this will be shown in PARTS V, (Page 4, Line A.3) and VII, (Page 5, Line 5)); or (3) payments made to purchase investments.
4. For any expenditures that do not appear to fit the categories listed, you should record these on Page 6, PART IX, and/or on an attached sheet. Please show an item description, amount, and if known, its alpha numeric code (letter and number on left in expenditure amount boxes).
5. **Important:** For items number 17, 18, 24, and 25 in Part IV Expenditures, Page 3, you should enter the total expenditures for the fund, **excluding interest**, which is to be reported on line 21, 22, or 23 **and bond principal retired or loan amounts repaid** which is to be reported in PARTS V (Page 4, Line A.3(f).) and VII (Page 5, Line 5).

For Lines 29b and 29c, these items should be allocated to the appropriate cost centers. However, if the city or town has not accounted for these expenditures in this manner, they may be reported here.

6. Total **all** expenditures in Part IV and copy that amount to Part VII, Page 5, Line 4.

DEBT OUTSTANDING (PART V)

1. Long-term debt refers to indebtedness which matures (comes due) in more than one year. Short-term debt indicates debt which is due within one year. For the purposes of this report, it is not necessary to identify the current portion of long-term debt as a part of short-term debt. If a portion of a debt is not due within one year, report the entire amount as part of long-term debt.
2. Debt does not include lease-purchase arrangements, where, at the end of the lease period, the city or town owns the property subject to the lease. These payments should be reported in Part IV, column (f).
3. The beginning outstanding balance in Part V, A.1. on the current year's report should agree with the outstanding balance at the end of the fiscal year on line A.4. on the previous year's report.
4. The total of Line A.2.(f), PART V should agree with the amount shown in Part VII, Page 5, Line 3., and the total of Line A.3.(f), PART V should agree with the amount shown in Part VII, Page 5, Line 5.
5. Most cities and towns will not have Short-Term debt. However, an example would be if the county loaned the city or town the funds to operate until homeowners paid property taxes and the mill levies were then disbursed.

CASH AND INVESTMENT ASSETS (PART VI)

1. List all cash and investment assets belonging to the city or town; i.e., all cash and investment assets in all funds.
2. The Grand Total Cash on Hand at the End of the Fiscal Year (Line 11) (unless on an accrual basis of accounting) should agree with the Grand Total Cash on Hand in PART VII, Reconciliation, Page 5, Line 7.
3. External sources may include: Bond agreements, Trust and Endowments, Special revenue, Capital facilities – if voter restricted, and Monies held for others.

Note: The Grand Total Cash on Hand amount should agree with the amount shown on the June 30th financial report to the City/Town Council.

RECONCILIATION (PART VII)

1. PART VII, Line 1, of the current report should agree with the Grand Total Cash on Hand at the end of the fiscal year in the prior year's report.
2. The difference on Line 6, if any, should be explained in Line 8.
3. The Grand Total Cash on Hand at the End of the Fiscal Year, Line 7, PART VII, should agree with the Grand Total of Cash on Hand at the End of the Fiscal Year in Part VI, Cash and Investment Assets. (Should agree on a cash basis of accounting with a possible slight difference due to rounding. On an accrual basis of accounting, the difference should be reasonable.)

Note: If the Grand Total Cash on Hand amounts (PARTS VI, Line 11 and VII, Line 7) have not agreed on past reports and you have continually brought the ending balance in the Reconciliation (PART VII) forward as the new beginning balance on the current report, as you should, this time use the Grand Total Cash on Hand amount from the Cash and Investment Assets (Part VI) on the last report as the beginning balance in the Reconciliation (Part VII, Line 1) on this report.

SALARIES AND WAGES (PART VIII)

The amount of salaries and wages shown here is also included by function in the Expenditures (Part IV). Do not include any payments for contracted services here. Contractual services are shown in PART X.

MILL LEVIES (PART IX)

If you are not aware of the amount of mill levies your city or town assesses, your County Assessor could provide you with this information.

OTHER INFORMATION (PART X)

As with salaries and wages (PART VIII), the amount of contractual services is also included by function in Expenditures, PART IV.

ADDITIONAL REVENUES/EXPENDITURES (PART XI)

Describe item indicating if it is a revenue or an expenditure. Also, if known, please indicate the alpha numeric code.
