Please retain a copy of your response for your records.

The 2012 Census of Governments is the only comprehensive source of information on the finances of all state and local governments in the United States. The information collected in this voluntary survey serves as an integral part of the foundation for developing national economic and public policy by measuring public activity. The successful completion of the Census of Governments will directly impact your government and the communities you serve by producing statistics about government organization, public employment, and government finance.

Thank you for participating in the Census of Governments, Survey of Public Pensions. The Census Bureau appreciates your help.

Sincerely,

William G. Bostic, Jr.
Associate Director for Economic Programs
U.S. Census Bureau
