A message from the Director, U.S. Census Bureau...

The U.S. Census Bureau is requesting your help with the Quarterly Survey of Property Tax Collections. This survey, authorized by Title 13, United States Code, Section 182, provides quarterly estimates of property tax revenue for local governments in the United States.

This survey is a component of the Quarterly Summary of State and Local Government Tax Revenue. This summary is the only comprehensive source of quarterly information on the tax revenues of all state and local governments in the United States. The information collected serves as an integral part in developing the Gross Domestic Product – a key economic indicator produced by the Bureau of Economic Analysis.

You may respond to this survey online at the following address: **respond.census.gov/f71**. To log in and complete the survey online, use the User ID and password found on the paper questionnaire. If you prefer to respond by mail, answer the questions on the questionnaire and return the questionnaire in the enclosed envelope. Respond either by mail or online – but not both.

If you need assistance with your response, please contact us by phone at 1-866-492-0140 weekdays between 7 AM and 5 PM ET, or by email at govs.qtax@census.gov.

Please retain a copy of your response for your records.

Thank you for participating in the Quarterly Survey of Property Tax Collections. The Census Bureau appreciates your help.
