A message from the Director, U.S. Census Bureau...

The U.S. Census Bureau is requesting your help with the Quarterly Survey of Selected Non-Property Taxes (OMB No. 0607-0112). This survey, authorized by Title 13, United States Code, Section 182, provides quarterly estimates of non-property tax revenue for local governments in the United States.

This survey is a component of the Quarterly Summary of State and Local Government Tax Revenue. This summary is the only comprehensive source of quarterly information on the tax revenues of all state and local governments in the United States. The information collected in this voluntary survey serves as an integral part in developing the Gross Domestic Product – a key economic indicator produced by the Bureau of Economic Analysis.
