

Where's My Form?

The U.S. Census Bureau is streamlining operations to conserve taxpayer time and money as we measure our nation's economy through surveys such as the 2016 Annual Survey of Public Employment and Payroll. This includes moving from paper-based data collection operations to online-based data collection operations.

To report online:

- Visit <https://respond.census.gov/aspep>
- Log in using your user ID and password found on your letter
- From the main menu, click the "Start" button for each section listed

If you need a worksheet to compile your data before reporting online:

- Select the icon next to "Would you like a blank PDF of the worksheet?" on the main menu page after logging in

In the future, we will continue to shift operations away from paper, as we find ways to open up more cost effective channels of communication with you such as secure email, texting, and web chat. **THANK YOU** for your continued cooperation.
