OFFICE OF THE DIRECTOR

FROM THE DIRECTOR  
U.S. CENSUS BUREAU

The U.S. Census Bureau is requesting your help with the Quarterly Survey of Public Pensions (QSPP). This survey, authorized by Title 13, United States Code, Section 182, collects national data on the assets, revenues, and expenditures of the largest public employee retirement systems. This survey consists of a panel of the 100 largest retirement systems, which comprise 89.4 percent of financial activity among such entities, based on the assets reported in the 2007 Census of Governments.

You may respond to this survey online at the following address: [respond.census.gov/qspp](http://respond.census.gov/qspp). Use the User ID and password below to log in and complete the form online.

Please complete this questionnaire within 30 days. Reasonable estimates are acceptable if actual data are not available. The Census Bureau will use your information to produce national totals on the composition of financial assets for this significant group of institutional investors. We do not intend to publish any data relating to specific systems reported in this voluntary survey; however, the information you provide will be subject to all provisions of federal information disclosure law.

If you need assistance with your response, please contact us by phone at 1-888-529-1963 weekdays between 7:00 a.m. and 5:00 p.m., ET, or by email at [govs.pensions@census.gov](mailto:govs.pensions@census.gov).

Thank you for participating in the Quarterly Survey of Public Pensions. The Census Bureau appreciates your help.

Sincerely,

Robert M. Groves  
Director
